Dear Ms Barone,

## Re: Planning Proposal to prepare the Sydney Local Environmental Plan (Green Square Town Centre), in accordance with the Standard Instrument Order in relation to certain sites within the area known as the Green Square Town Centre.

I am writing in response to your Council's letter dated 17 January 2011 requesting a Gateway Determination under section 56 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") in respect of the planning proposal to amend the controls for the entire Green Square Town Centre and create Sydney Local Environmental Plan (Green Square Town Centre) 2010 as a new stand alone LEP, in accordance with the Standard Instrument Order.

As delegate of the Minister for Planning, I have now determined that the planning proposal should proceed subject to the conditions in the attached Gateway Determination.

The Director General's delegate has also agreed that the planning proposal's inconsistencies with S117 Directions 1.1 Business and Industrial Zones, 2.3 Heritage Conservation, 3.1 Residential Zones, 3.4 Integrating Land Use and Transport, 3.5 Development Near Licensed Aerodromes and 4.3 Flood Prone Land are of minor significance. No further approval is required in relation to these Directions.

The amending Local Environmental Plan (LEP) is to be finalised within 12 months of the week following the date of the Gateway Determination. Council should aim to commence the exhibition of the Planning Proposal within four (4) weeks from the week following this determination. Council's request for the Department to draft and finalise the LEP should be made six (6) weeks prior to the projected publication date.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under s54(2)(d) of the EP&A Act if the time frames outlined in this determination are not met.
