Dear Ms Barone,

Planning proposal to amend Sydney Local Environmental Plan 2012

I am writing in response to your Council's letter dated 18 December 2012 requesting a Gateway determination under section 56 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") in respect of the planning proposal to permit 'warehouse and distribution centres' in Zone B3 Commercial Core and amend the floor space ratio controls to 2.5:1 for the Sydney Fish Market site at 56-60 Pyrmont Bridge Road, Pyrmont.

As delegate of the Minister for Planning and Infrastructure, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination.

It is noted that the planning proposal will amend the land uses permissible within the B3 Commercial Core zone across the LGA. Council should consider the need to consult directly with affected landowners within the B3 zone across the LGA to ensure the impacts of the proposal are fully considered.

The Minister delegated his plan making powers to councils in October 2012. It is noted that Council has now accepted this delegation. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan.

The amending Local Environmental Plan (LEP) is to be finalised within 9 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the department for administrative purposes.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under s54(2)(d) of the EP&A Act if the time frames outlined in this determination are not met.

Gateway Determination

Planning proposal (Department Ref: PP_2013_SYDNE_001_00): to permit 'warehouse and distribution centres' in zone B3 and amend floor space controls for the Sydney Fish Market site.

I, the Director General, Department of Planning and Infrastructure as delegate of the Minister for Planning and Infrastructure, have determined under section 56(2) of the EP&A Act that an amendment to Sydney Local Environmental Plan (LEP) 2012 to permit 'warehouse and distribution centres' in Zone B3 Commercial Core and amend the floor space ratio controls to 2.5:1 for the Sydney Fish Market site at 56-60 Pyrmont Bridge Road, Pyrmont should proceed subject to the following conditions:

1. Community consultation is required under sections 56(2)(c) and 57 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") as follows:
 - (a) the planning proposal is classified as low impact as described in *A Guide to Preparing LEPs (Department of Planning & Infrastructure 2012)* and must be made publicly available for **14 days**; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A Guide to Preparing LEPs (Department of Planning & Infrastructure 2012)*.
2. No consultation is required with public authorities under section 56(2)(d) of the EP&A Act.
3. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the EP&A Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
4. The timeframe for completing the LEP is to be **9 months** from the week following the date of the Gateway determination.

Dated 5th day of February 2013.
