- (c) If one party must indemnify or reimburse another party (**Payee**) for any loss or expense incurred by the Payee, the required payment does not include any amount which the Payee (or an entity that is in the same GST group as the Payee) is entitled to claim as an input tax credit, but will be increased under clause 12.3(a) if the payment is consideration for a taxable supply.
- (d) If an adjustment event arises in respect of a taxable supply made by a Supplying Party, the GST Amount payable by the Receiving Party under clause 12.3(a) will be recalculated to reflect the adjustment event and a payment will be made by the Receiving Party to the Supplying Party, or by the Supplying Party to the Receiving Party, as the case requires.
- (e) The Developer will assume the City is not entitled to any input tax credit when calculating any amounts payable under this clause 12.3.
