Invitation to Nagoya Festival

Allow me to express my appreciation for your continued efforts toward sister city exchange between Nagoya and Sydney.

As we enter 2015, the curtain rises on the year of the 35th anniversary of Sydney and Nagoya's Sister City Relationship. Let us celebrate this monumental year together with the cooperation of the City of Sydney.

The annual Nagoya Festival, the biggest event in Nagoya, will once again take place this October. It would be wonderful to seize this opportunity to have you in Nagoya for the first time in ten years and colorfully celebrate 35 years of sister city relations. In November, a representative delegation from Nagoya is planning to make an official visit to Sydney. I would like to strengthen the ties between our two cities through such reciprocal exchanges.

In closing, I offer my best wishes for your health and happiness. I look forward to seeing you in Nagoya.

Sincerely,

Takashi Kawamura
Mayor, City of Nagoya
