

RELEVANT INFORMATION FOR COUNCIL

FILE: S053518 **DATE:** 24 June 2016
TO: Lord Mayor and Councillors
FROM: Graham Jahn, Director City Planning, Development and Transport
SUBJECT: Information Relevant To Item 9.5 - Cycle Strategy Implementation Update
- At Council - 27 June 2016

That the Lord Mayor and Councillors note the information contained in this memo.

Background

At the meeting of the Planning and Development Committee on 21 June 2016, further specific information was sought about the data on cycling participation rates and shared path perception survey.

The cycling participation rate for residents of the City of Sydney in 2013 was 18.7%.

Pedestrians were asked "Generally how safe do you feel walking along this path when bike riders are also using it" and answered extremely safe (10 per cent), very safe (46 per cent), moderately safe (31 per cent), slightly safe (7 per cent) or not at all safe (5 per cent).
