SUBJECT: Information Relevant To Item 7.3 - Scoping - Wimbo Park Landscape Design Concept - At Council - 27 February 2017

That the Lord Mayor and Councillors note the information contained in this memo.

Background

At the meeting of the Environment Committee on 20 February 2017, Councillors asked staff to consider issues raised in a written submission from Mr Lim, namely the location of the long community table and barbecue, during development of the detailed design.

City Design and City Projects will consider the issues raised as part of the design development phase of the project.

The barbecue facilities and community table were suggestions that came up in the course of consultation. The City intends to provide these facilities, but can review their location and proximity to Mr Lim's property.
