

**ITEM 14. MOBILE CRANES – TEMPORARY ROAD CLOSURES –
MARGARET STREET SYDNEY**

TRIM RECORD NO: 2014/297418

RECOMMENDATION

It is recommended that the Committee endorse the temporary road closure of Margaret Street, between York and Carrington Streets, Sydney, on Sunday 14 September 2014 from 7am to 5pm, subject to the following conditions:

- (A) The Applicant must comply with the temporary road closure conditions as mentioned in Schedule C of this Agenda.
- (B) The Applicant must comply with any other conditions imposed by City's Construction Regulation Unit.
- (C) The Applicant has indicated the Sunday 28 September 2014 as an alternative date for the above work as a contingency for inclement weather.
- (D) The Applicant must contact the Sydney City Police to obtain a separate police permit and to discuss deployment of user pay police for the road.
- (E) The Applicant is to obtain a Road Occupancy Licence from the Transport Management Centre prior to commencement of works.
- (F) The Applicant must provide a telephone number of the supervisor responsible for the proposed closure and include contact details in the notification letters to be distributed to affected stakeholders.
- (G) The Applicant must contact Sydney Buses and arrange and pay for the rerouting of bus services around the closure, the temporary relocation of bus stops and any additional staff required.
- (H) The Applicant must maintain local access to Wynyard Lane at all times.
- (I) The Applicant must letterbox drop properties along Wynyard Lane and Carrington Street of the proposed road closure.

DECISION

BACKGROUND

K and D Traffic Management has applied for the temporary road closure of Margaret Street, between York and Carrington Streets, Sydney, on Sunday 14 September 2014 from 7am to 5pm.

COMMENTS

The proposed temporary road closure is required to allow a mobile crane to be used to lift air conditioning equipment onto 50 Margaret Street, Sydney.

Margaret Street between Carrington and York Streets will be closed to stand the mobile crane. During the closure all vehicles, including buses, exiting Carrington Street will need to turn right into Margaret Street and then left in George Street and detour via Grosvenor Street to head west. The Applicant has discussed this closure with Sydney Buses and is working with Sydney Buses regarding the re-routing of the bus services.

The Applicant has advised that local access will be maintained to Wynyard Lane from George Street.

The Applicant has provided a site-specific Traffic Control Plan that includes details of barricades, signs, flagmen and other traffic devices to implement the proposed road closure.

There are currently no other approved temporary road closures proposed to take place on the same day in close proximity of this closure.

The temporary road closure will not affect any other properties, as local access will be provided at all times and alternative access routes are available nearby.

CONSULTATION

The Applicant will be required to notify affected stakeholders as stipulated in Schedule C.

FINANCIAL

All costs associated with the proposed closure will be borne by the Applicant.
