DECISION

BACKGROUND

Glebe Chamber of Commerce has applied for temporary road closures to hold the annual Glebe Street Fair on Sunday 16 November 2014 from 2am to 10.00pm.

The Glebe Street Fair was first held in 1984 and is one of Sydney's longest running annual events, attracting more than 100,000 people every November into Glebe. There has always been a strong connection with the Fair and the Glebe community.

COMMENTS

The Fair is run on a not-for-profit basis, with proceeds being used by the Chamber of Commerce to support a variety of local community projects.

The main purpose of the Glebe Street Fair is to provide a community festival which is a day of fun for Glebe residents and visitors. The street will be filled with interesting stalls, two main stage areas and roving street performers.

The temporary road closures are proposed for Sunday 16 November 2014 from 2am to 10.00pm (including bump in and bump out) and required for the safety of festival visitors.

The actual event commences at 10am and finishes at 5pm.

There will be rides for children in the grounds of the Glebe Public School and a kid's zone located in Foleys Park that will have storytelling, a sculpture/art display, a jumping castle and craft activities for young children and the young at heart. The target audience for the Fair is inner city families with young children. In the past the Fair has been attended by up to 100,000 people, although this attendance is spread out across the day.

This year will have the theme *Lighten Up* which will be incorporated into all the marketing, entertainment and activities on the day including a world record breaking attempt, umbrella art and interactive street performances with over 200 stalls and an estimated 120,000 visitors.

Road Closures -16 November 2014, 2am - 10.00pm
