DECISION

BACKGROUND

Lend Lease Building Pty Ltd has applied for a 14 metre long Works Zone in King Street, Sydney.

The Works Zone is to facilitate refurbishment works at 400 George Street for a period of approximately 13 weeks.

COMMENTS

The kerb space on the southern side of King Street, Sydney between George and Pitt Streets, where the Works Zone is proposed, is currently signposted as "Loading Zone 6am-6pm Mon-Fri, 6am-10am Sat; 4P Ticket 6pm-10pm Mon-Fri, 10am-10pm Sat, 8am-10pm Sun & Public Holidays.

The Works Zone is intended to operate from 7am to 7pm, Monday to Friday and from 7am to 5pm on Saturday in accordance with the Development Consent conditions.

The development site has no provision for off-street parking for large trucks and as the approved development takes up the entire site, the developer is unable to carry out construction works unless a Works Zone is provided directly in the front of the site. The Works Zone is in the recessed bay and the street is wide enough to allow the Works Zone to be installed without affecting traffic flow or property access.

CONSULTATION

The applicant must notify adjacent properties at least seven days prior to the implementation of the Works Zone.

FINANCIAL

All costs associated with the Works Zone will be borne by the Applicant.
