DECISION

BACKGROUND

Glebe Chamber of Commerce had applied for temporary road closures to hold the annual Glebe Street Fair on Sunday 16 November 2014 from 2am to 11pm.

This Item was deferred at the September meeting to allow the Applicant to:

- prepare and submit a Traffic Management Plan (TMP) to the RMS for review and approval;
- seek approval from the Transport Management Centre (TMC) for the proposed Special Event Clearways; and
- update the Traffic Control Plan (TCP) to address concerns raised by the RMS with regard to the need for advanced warning signage on approach to the road closures; information on the associated detour routes for affected side streets; further detail on

managing the operation of affected traffic signals; and to reflect the feedback provided by the TMC about the proposed Special Event Clearways.

These outstanding issues have now been resolved.
