

ITEM 28. PARKING - NO PARKING - MARIAN STREET REDFERN

TRIM RECORD NO: 2014/372582

RECOMMENDATION

It is recommended that the Committee endorse the reallocation of parking on the southern side of Marian Street, Redfern between the points 6.1 metres and 16.2 metres east of Cornwallis Street as "No Parking".

DECISION

BACKGROUND

The executive (secretary) & building manager for The Watertower, 1 Marian Street, Redfern has requested consideration of "No Parking" in Marian Street across their driveway to allow for quick pick-up or set-down of passengers or goods.

COMMENTS

The kerb space on the southern side of Marian Street, Redfern across the driveway near Cornwallis Street is currently signposted as "No Stopping".

Many residents of the Watertower building get picked-up or set-down. Also this area is close to the entrance to Redfern Railway Station.

The Road Rules permit drivers to stop across a driveway to pick-up or set-down passengers or goods however the current "No Stopping" restriction prevents any parking.

An on-site inspection shows there is a need to provide a "No Parking" restriction to provide a pick-up or set-down area in lieu of the existing "No Stopping".

CONSULTATION

The City consulted local residents and businesses in the area. There were 65 letters sent out with no responses supporting or opposing the proposal.

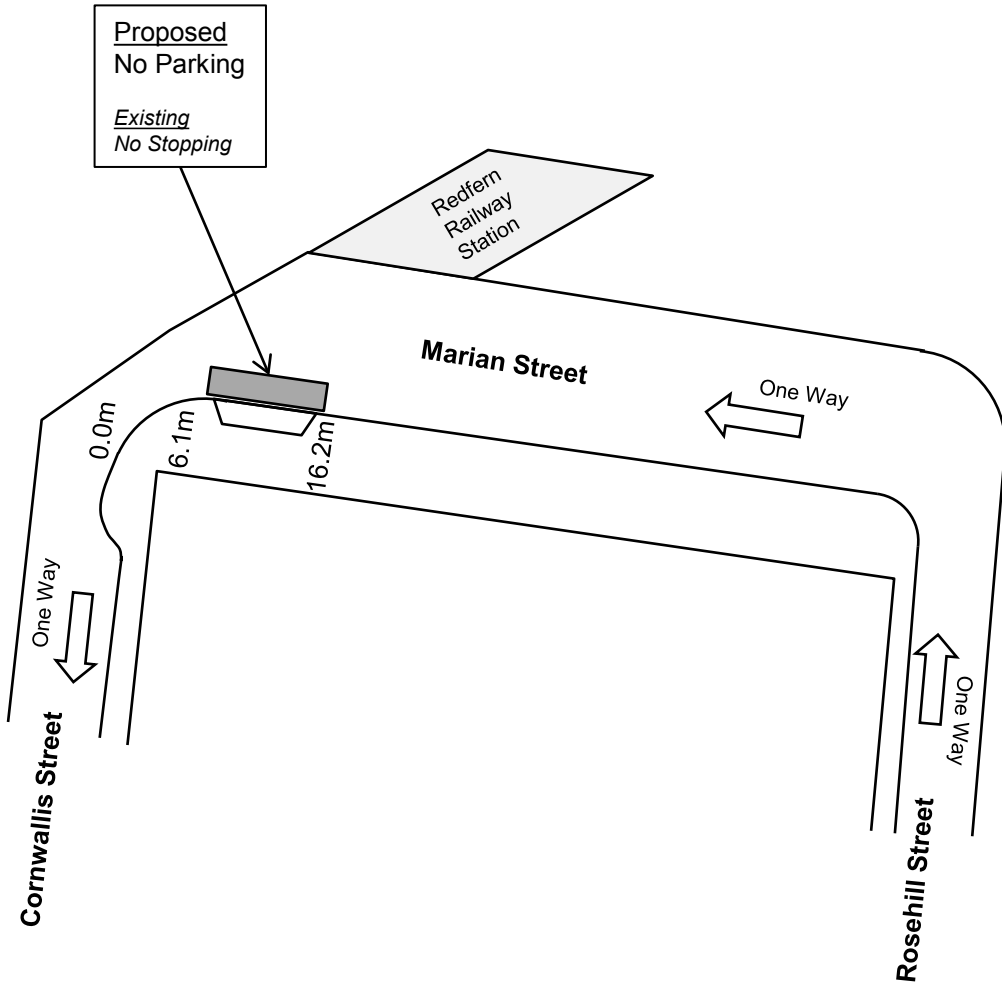

FINANCIAL

Funds are available in the current budget.
