DECISION

BACKGROUND

The City of Sydney has applied for temporary road closures for the Sydney Chinese New Year Festival – Lunar Streets event from 2pm Saturday 14 February 2015 to 1am Sunday 15 February 2015.

COMMENTS

Lunar Streets is a new annual event that requires the temporary closure of City streets and traffic detours around the event site. The actual event will be held between 5pm and 11pm.

The event will engage local retailers, restaurants and the local Korean, Thai and Chinese communities within the Koreatown, Thaitown and Chinatown precincts of the city. Consultation with the local business has been undertaken as well as businesses with driveways in road closure areas.

Temporary Road Closures – 2pm Saturday 14 February 2015 to 1am Sunday 15 February 2015.

- Pitt Street (between Central Street & Liverpool Street);
- Campbell Street (between George Street & Pitt Street);
- Sussex Street (between Goulburn Street & Hay Street).

Contra flow traffic in Little Hay Street between Harbour Street and Sussex Street will also be implemented in conjunction with the Sussex Street closure to allow access for the residents of the Chinatown Centre.

The Transport Management Centre has provided in-principle agreement to the installation of Special Event Clearways (in affected areas) from 1pm Saturday 14 February 2015 to 1am Sunday 15 February 2015.

Roads will be progressively re-opened by the Roads and Maritime Services (RMS) and Police after cleaning.

There are currently no other approved temporary road closures proposed to take place on the same day.

CONSULTATION

The Applicant will be required to notify affected stakeholders as stipulated in Schedule B.

FINANCIAL

All costs associated with the proposed closures will be borne by the Applicant.
