

ITEM 23. PARKING – MUNNI STREET ERSKINEVILLE

TRIM RECORD NO: 2011/180627

RECOMMENDATION

It is recommended that the Committee endorse the reallocation parking of the southern side of Munni Street Erskineville, between the points 14.6 metres and 19.6 metres (1 car space) east of Union Street as unrestricted parking.

DECISION

BACKGROUND

GoGet has requested the removal of a Car Share space on the southern side of Munni Street Erskineville, east of Union Street. The kerb space will return to unrestricted parking.

COMMENTS

The kerb space on the southern side of Munni Street, between Union and Rochford Streets, is currently allocated for a Car Share space and unrestricted parking.

GoGet has advised that the car share space is no longer required and the kerb space can return to the original parking restriction.

On-site inspection shows that the parking change would provide additional unrestricted parking availability for nearby stakeholders.

CONSULTATION

The City has notified local residents and businesses in the area.

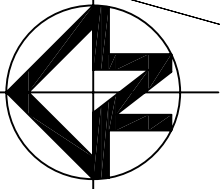

FINANCIAL

All costs associated with the removal of the car share space and reinstatement of unrestricted parking will be borne by GoGet.
