

**ITEM 44. MOBILE CRANE – TEMPORARY ROAD CLOSURES –
DARLINGTON LANE DARLINGTON**

TRIM RECORD NO: 2014/578007

RECOMMENDATION

It is recommended that the Committee endorse the temporary road closure of Darlington Lane, between Codrington Street and Golden Grove Street, Darlington, on Saturday 28 February and Sunday 1 March 2015, between 7am and 6pm, subject to the following conditions:

- (A) The Applicant must comply with the temporary road closure conditions as mentioned in Schedule C of this Agenda.
- (B) The Applicant must comply with any other conditions imposed by City's Construction Regulation Unit.
- (C) The Applicant has indicated 7 and 8 March 2015 as an alternative period for the above works as a contingency for inclement weather.
- (D) The Applicant must contact Newtown Police to obtain a separate police permit and to discuss deployment of user pay police for the road closure.
- (E) The Applicant must provide a telephone number of the supervisor responsible for the proposed closure and include contact details in the notification letters to be distributed to affected stakeholders.

DECISION

BACKGROUND

John Holland Pty Ltd has applied for the temporary road closure of Darlington Lane, between Codrington Street and Golden Grove Street, Darlington, on Saturday 28 February and Sunday 1 March 2015, between 7am and 6pm.

COMMENTS

The proposed temporary road closure is required to allow a mobile crane to be used to remove a tower crane from the new business school campus site.

The Applicant has provided a site-specific Traffic Control Plan that includes details of barricades, signs, flagmen and other traffic devices to implement the proposed road closure.

There are currently no other approved temporary road closures proposed to take place on the same day in close proximity of this closure.

The temporary road closure will not affect any other properties, as local access will be provided at all times and alternative access routes are available nearby.

CONSULTATION

The Applicant will be required to notify affected stakeholders as stipulated in Schedule C.

FINANCIAL

All costs associated with the proposed closure will be borne by the Applicant.

This Traffic Control Plan is drawn to meet AS1742.3 and RTA Traffic Control Workite Manual Version 4 and should be implemented accordingly by an RTA qualified person. This plan can be altered by an accredited person with signed and dated changes. They then become responsible for any change implemented. This plan does not give you permission by the RTA, Local Council or Regulatory bodies to stand or operate on the roadway or surrounds.

Based on RTA TCP 47
