DECISION

BACKGROUND

Sasco Developments Pty Limited has applied for the temporary road closure of Sparkes Street, Camperdown, west of Larkin Street, on Saturday 28 February 2015 from 7.30am to 3.30pm.

COMMENTS

The proposed temporary road closure is required to allow a mobile crane to be used to install a self-erecting crane on the frontage of 84-86 Parramatta Road, Camperdown.

The Applicant has provided a site-specific Traffic Control Plan that includes details of barricades, signs, flagmen and other traffic devices to implement the proposed road closure.

There are currently no other approved temporary road closures proposed to take place on the same day in close proximity of this closure.

The Applicant has discussed the proposed closure with the property managers who have local access in Sparkes Street and is therefore proposing the Saturday closure of the street when local access is minimal.

CONSULTATION

The Applicant will be required to notify affected stakeholders as stipulated in Schedule C.

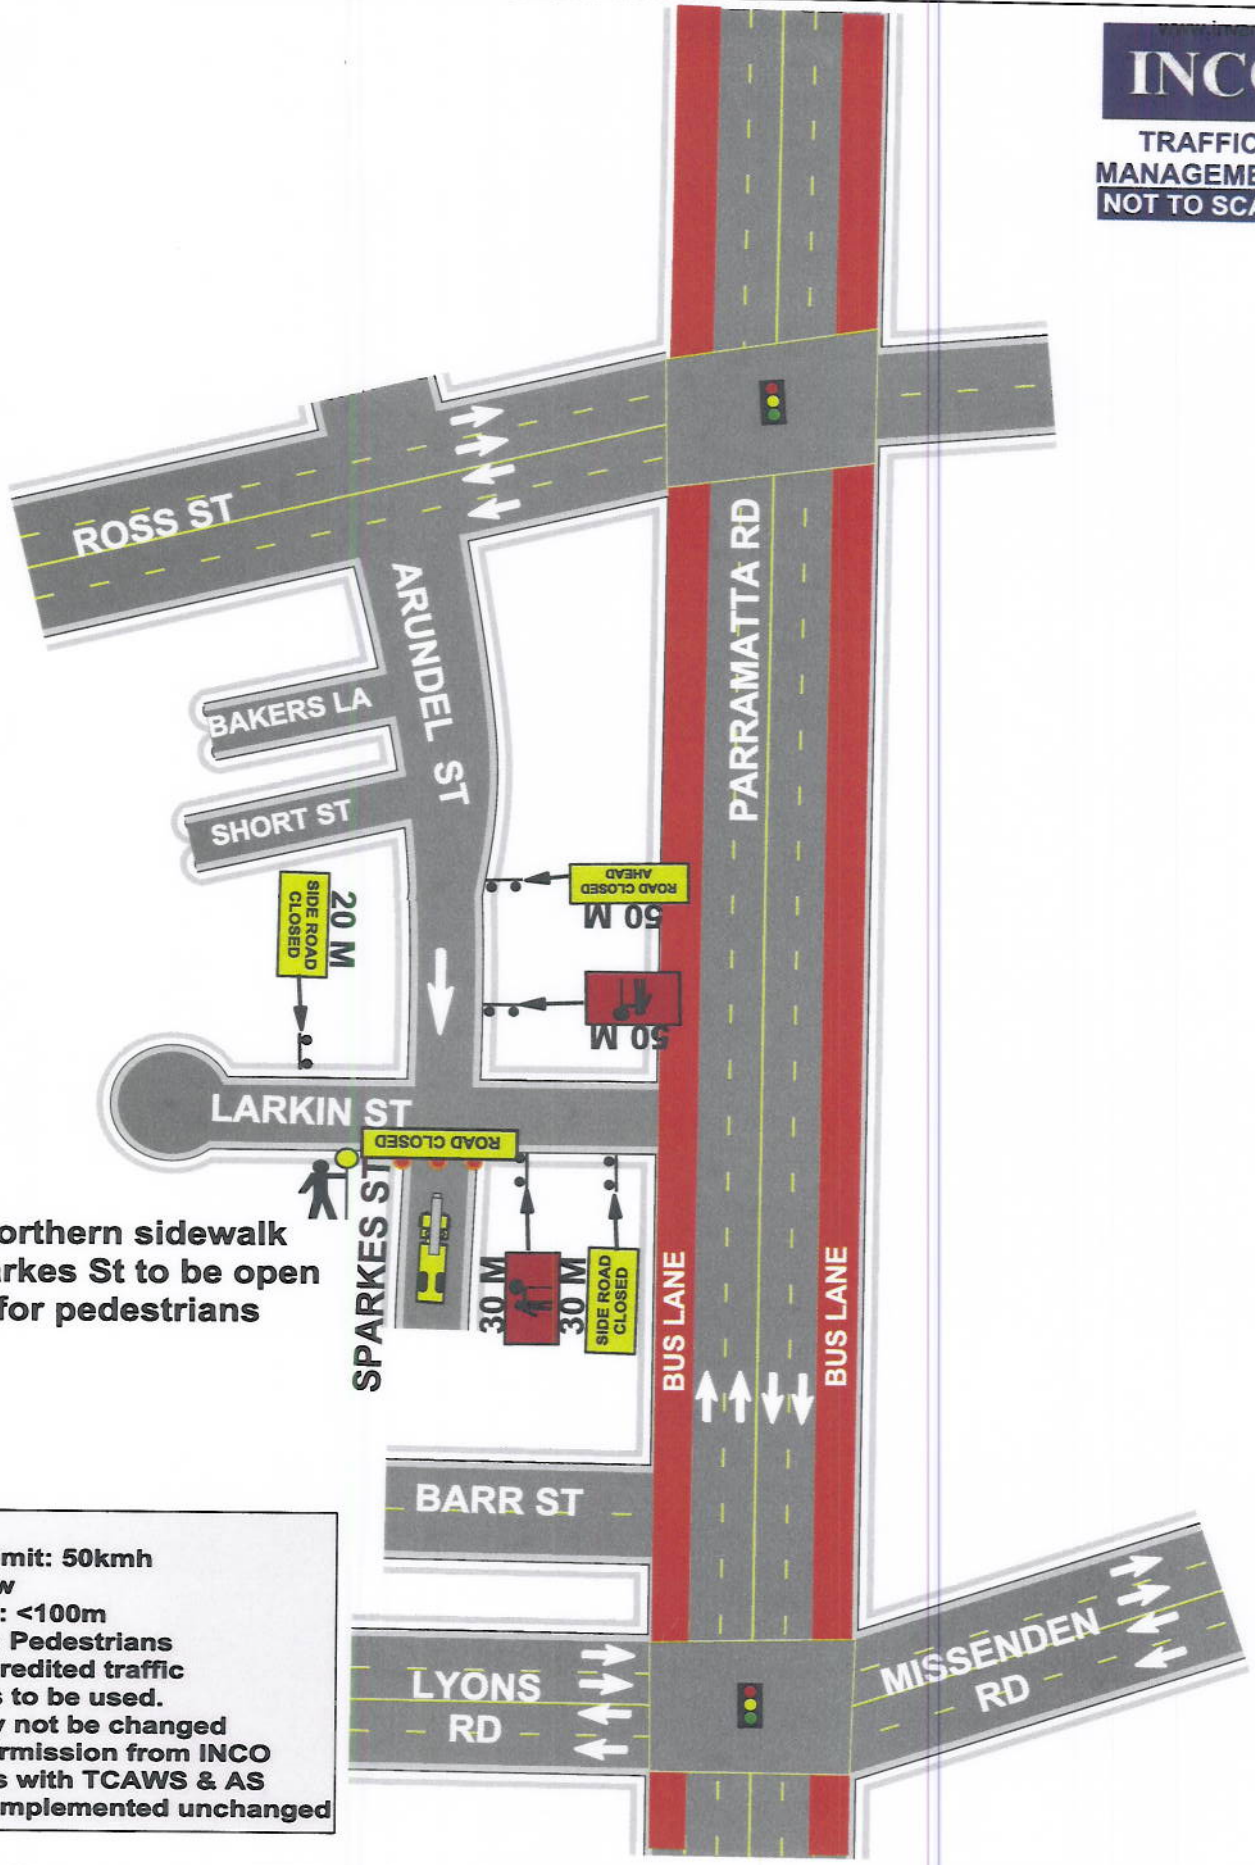

FINANCIAL

All costs associated with the proposed closure will be borne by the Applicant.
