

**ITEM 82. PARKING – CHANGE TO OPERATING TIME – DISABILITY
PARKING – REUSS STREET GLEBE**

TRIM RECORD NO: 2014/394649

RECOMMENDATION

It is recommended that the Committee endorse the reallocation of kerb space on the southern side of Reuss Street between the points 15 metres and 22.8 metres as “1P 8am-6pm Permit Holders Excepted Area G” and “Disability Parking Only At Other Times”.

DECISION

BACKGROUND

The Local Pedestrian, Cycling and Traffic Calming Committee at its 19 November 2014 meeting endorsed the introduction of a part-time disability parking space in Reuss Street as item 22.

COMMENTS

Further investigation following the endorsement of the disability parking space has found that for the safety of motorists using the parking space, the operating time should commence at 6pm. The Committee had previously endorsed the starting time of the space at 10pm.

The proposed 6pm start time of the part-time disability parking space is consistent with the start times of other part-time disability parking spaces in the area.

CONSULTATION

Residents who provided submissions to the initial proposal for the part-time disability parking space have been advised of the proposed change of time.

FINANCIAL

Funds are available in the current budget.
