DECISION

BACKGROUND

The Returned and Services League of Australia has applied for temporary road closures associated with the Anzac Day Parade on Saturday 25 April 2015.

COMMENTS

The NSW Department of Premiers and Cabinet coordinate meetings between Transport Authorities (RMS, Sydney Buses, Sydney Trains, and Transport for NSW), Emergency Services, Councils, the NSW Taxi Council and Event organisers to plan for the Annual Anzac Day March.

It should be noted that in late 2015 through to 2019, there will be major road works on George Street, Alfred Street, Rawson Place and Chalmers Street associated with the CBD and South East Light Rail project. This will impact on next year's event as sections of the route may not be available. All event organisers need to review their future event

route and form-up areas in consultation with the City, Police, Transport for NSW, Transport Management Centre and RMS.
