

ITEM 24. PARKING - NO PARKING - NORFOLK STREET NEWTOWN

TRIM RECORD NO: 2014/587386

RECOMMENDATION

It is recommended that the Committee endorse the reallocation of parking on the northern side of Norfolk Street, Newtown as follows:

- (A) Between the points 23.3 metres and 28.3 metres (1 car space) west of Angel Street as unrestricted for parking.
- (B) Between the points 9.2 metres and 14.2 metres (1 car space) west of Gibbes Lane as "No Parking Authorised Car Share Vehicles Excepted Zone GG".

DECISION

BACKGROUND

A resident of Norfolk Street has requested the relocation of an existing car share parking restriction from across a driveway which is about to be reactivated.

COMMENTS

Currently the car share space exists just east of Gibbes Lane. However there is an old driveway in this location which is about to be reactivated. Therefore the car share space will be relocated just west of Gibbes Lane in lieu of unrestricted kerbspace.

Rule 198 of NSW Road Rules 2008 prohibits drivers from parking in a way that obstructs access to any driveway at any time.

An on-site inspection shows there is a need to relocate the existing car share space from outside an existing driveway to allow access to off-street parking.

CONSULTATION

The City consulted local residents and businesses in the area. There were 46 letters sent out with no responses supporting or opposing the proposal.

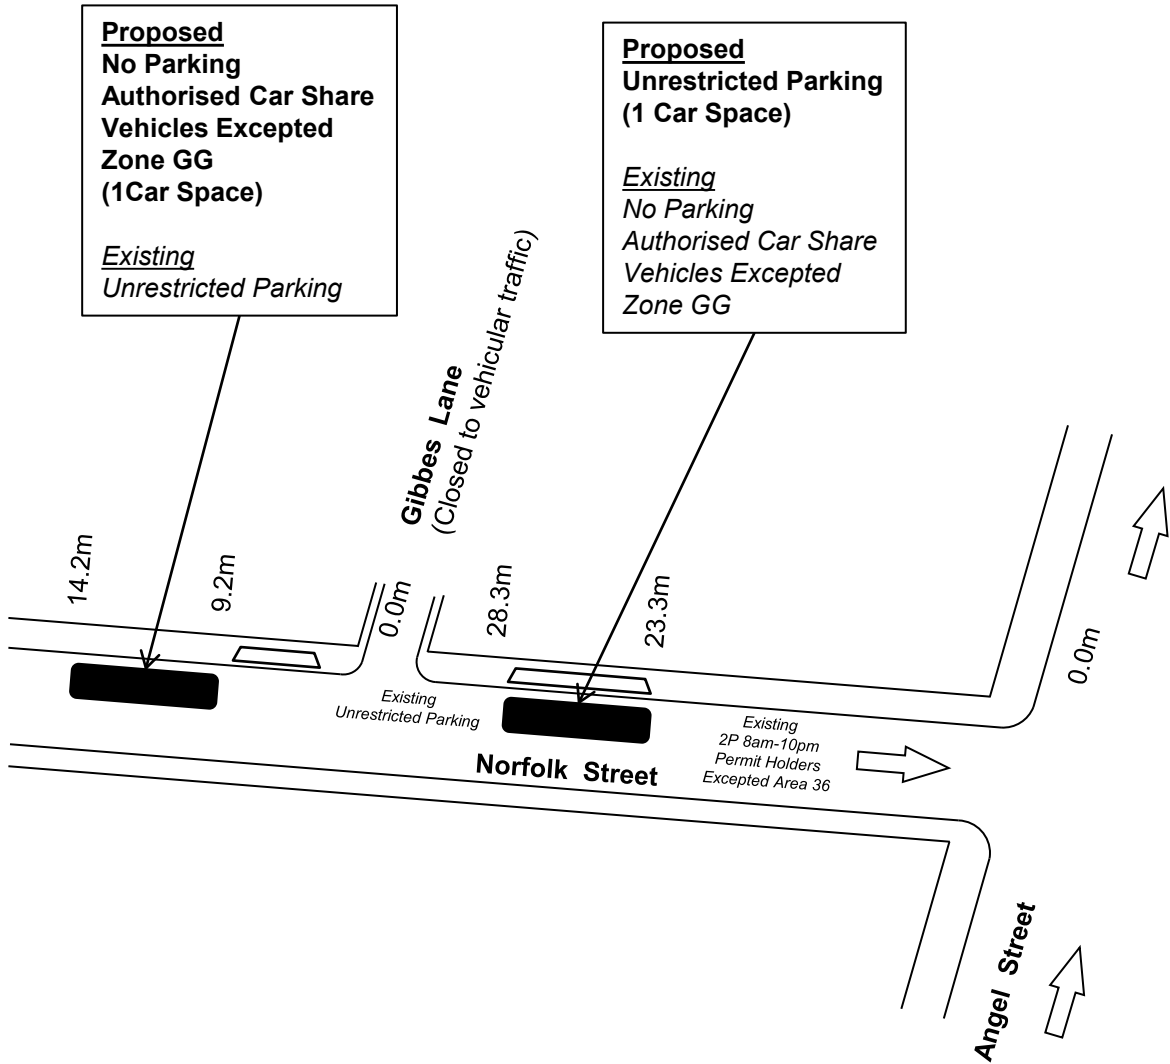

FINANCIAL

Funds are available in the current budget.
