**RECOMMENDATION**

It is recommended that the Committee endorse the reallocation of parking on the northern side of Morley Avenue, Rosebery, between the points 10 metres and 14.5 metres (one car space) east of Botany Road as 'No Parking Car Share Vehicles Excepted' subject to the following:-

- (A) The City will only install signage for the car share space when GoGet has a car to occupy the space.

**DECISION**

**BACKGROUND**

The City is committed to providing dedicated parking for car sharing across the Local Government Area as part of a Council approved Car Sharing Policy. A submission has been received from GoGet for a car share space in Morley Avenue, Rosebery, east of Botany Road.

**COMMENTS**

The kerb space on the northern side of Morley Avenue, between Botany Road and Jones Lane is currently signposted as "1P 8.30am-6pm Mon-Fri".

The car share space will be installed and managed in accordance with the Roads and Maritime Services' Technical Direction 2007/04 and the provisions of the Council-approved Car Sharing Policy.

On average, each car share vehicle in the City can replace up to 12 private vehicles that would otherwise compete for parking. In the twelve months to November 2014, membership in the City has risen by around 529 members per month.

Current membership is approximately 23,998, of which 6,501 are business members.

As of February 2015, there were 54 GoGet car share members within a 250 metre radius of this location with six members in Morley Avenue, seven members in Botany Road, and 15 members in Dunning Avenue.

Within a 250 metre radius of this location, there are currently five spaces allocated for GoGet car share vehicles.

**CONSULTATION**

The City consulted local residents and businesses in the area. There were 322 letters sent out with one response supporting the proposal and two responses opposing the proposal due to loss of parking.

The resident supporting the proposal supports the scheme being extended to provide an alternative to private car ownership and reducing the number of cars around the City.
