

ITEM 36. PARKING – NO PARKING – CUMBERLAND STREET THE ROCKS

TRIM RECORD NO: 2014/448600

RECOMMENDATION

It is recommended that the Committee endorse the reallocation of parking on the western side of Cumberland Street north of Essex Street as follows:

- (A) Between points 183.8 metres and 192.8 metres as “No Parking Authorised Council Vehicles Only” (2 spaces),
- (B) Between points 202.8 metres and 210.4 metres as “Disability Parking Only” (2 spaces)”
- (C) Between points 210.4 metres and 226 metres as “1/4P 6am-10pm” (3 spaces)

DECISION

BACKGROUND

The King George V (KGV) Fitness Centre on Cumberland Street has requested consideration of relocating the existing “No Parking Authorised Council Vehicles Excepted” restriction as tree roots are obstructing passengers alighting from the Community Bus at this location.

COMMENTS

The kerb space on the western side of Cumberland Street, The Rocks outside the KGV Centre is currently signposted as “No Parking Authorised Council Vehicles Excepted” (2 spaces), “Disability Only Parking” (2 spaces) and “1/4P 6am-10pm” (3 spaces).

The proposed changes would allow passengers to alight from the Community Bus outside the Centre onto a solid footpath. Passengers currently alight onto tree roots. There would be no loss of parking with this proposal.

CONSULTATION

The City consulted local residents and businesses in the area. There were 22 letters sent out with 2 responses supporting the proposal and no responses opposing the proposal.

The City directly consulted this proposal with KGV Centre staff and the City’s Street Tree team. Both were supportive of the proposal.

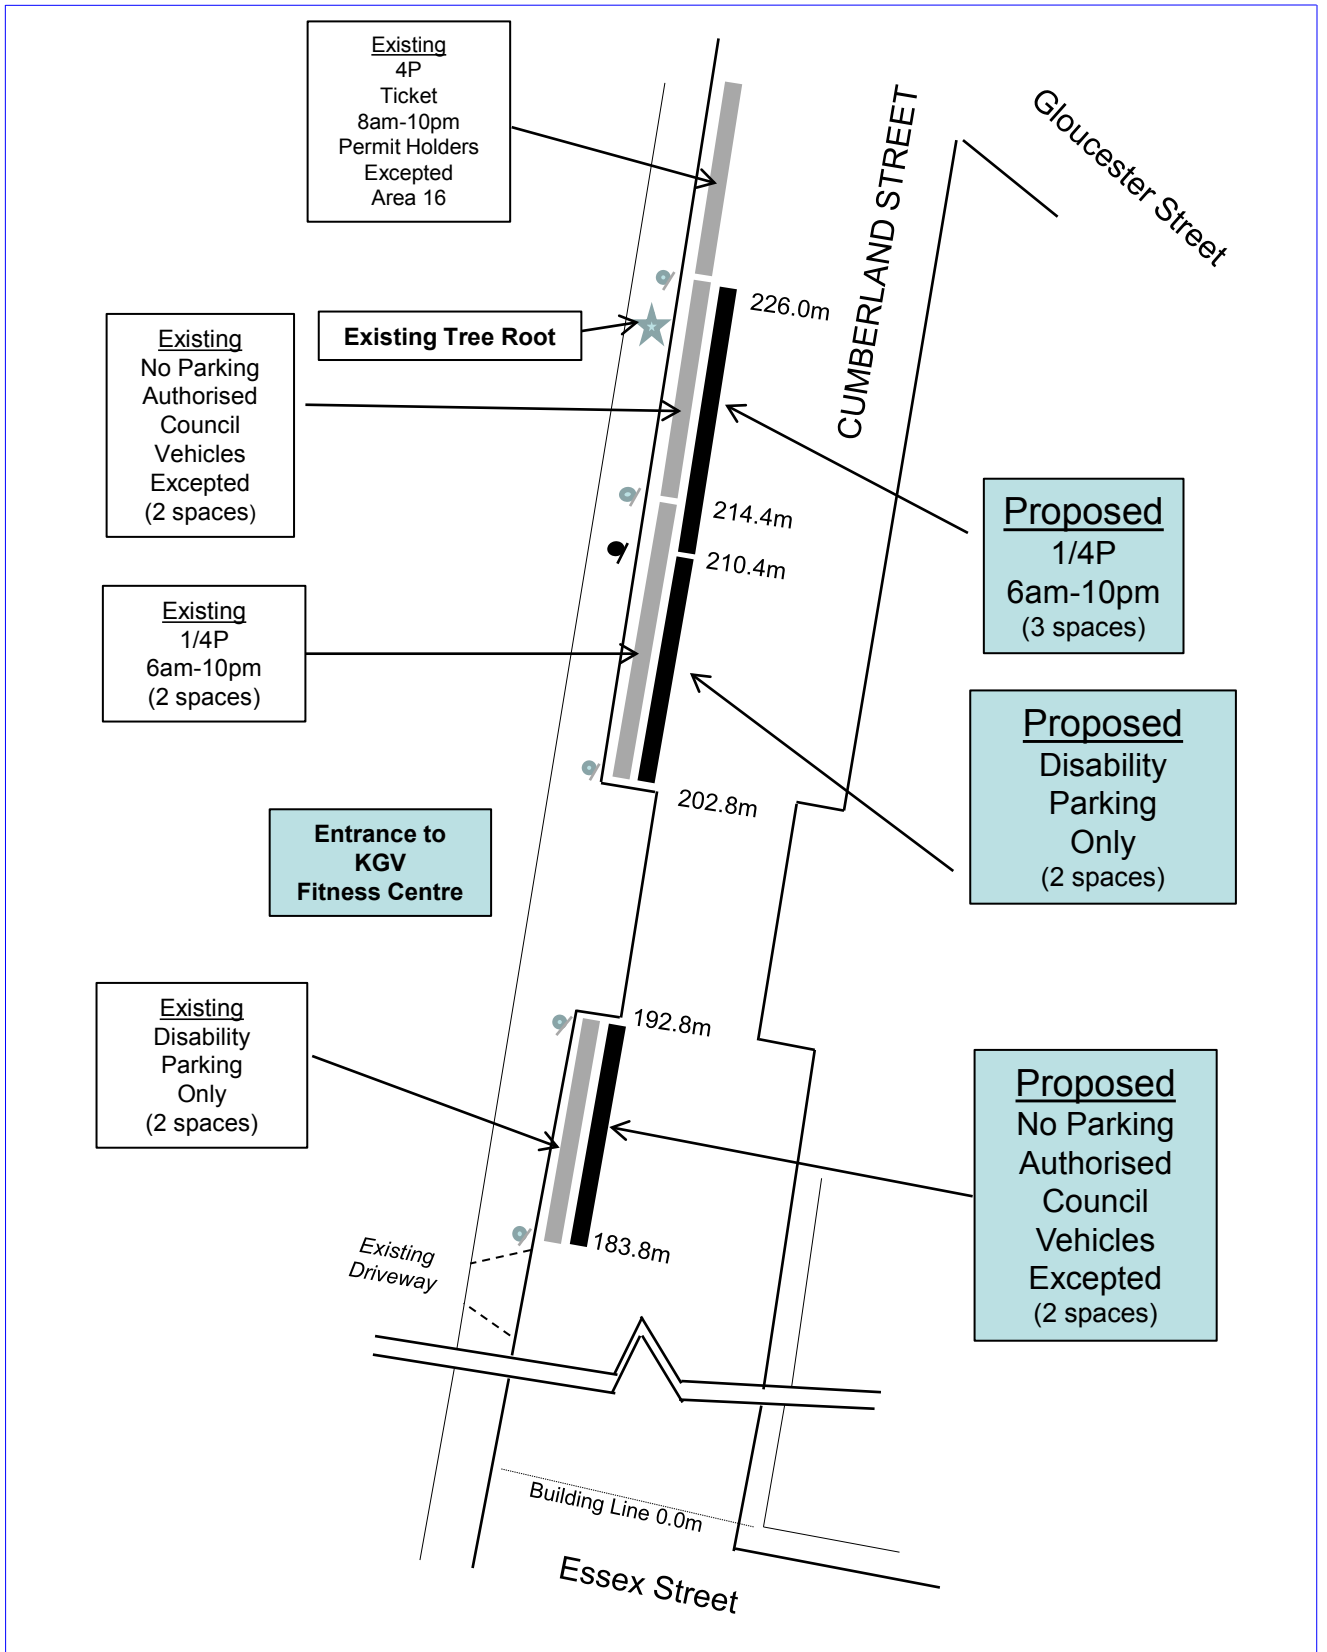

FINANCIAL

Funds are available in the current budget.
