- (A) The Applicant must comply with the temporary road closure conditions as mentioned in Schedule C of this Agenda.
- (B) The Applicant must comply with any other conditions imposed by City's Construction Regulation Unit.
- (C) The Applicant has indicated 27 June and 28 June 2015 as an alternative dates for the above work as a contingency for inclement weather.
- (D) The Applicant must contact the Newtown Police to obtain a separate police permit and to discuss deployment of user pay police for the road closure.
- (E) The Applicant must provide a telephone number of the supervisor responsible for the proposed closure and include contact details in the notification letters to be distributed to affected stakeholders.

DECISION

BACKGROUND

John Holland Pty Ltd has applied for the temporary road closure of Codrington Street, between Darlington Road and Abercrombie Street, Darlington, from 7am on Saturday 20 June to 6pm on Sunday 21 June 2015.

The Committee meeting on 18 March 2015 endorsed the closure of Codrington Street, for 11 and 12 April 2015, but due to unforeseeable delays the Applicant could not proceed with the closure. The Applicant has now requested for new closure dates.

COMMENTS

The proposed temporary road closure is required to allow a mobile crane to be used for the removal of tower crane from the New Business School site.

The Applicant has provided a site-specific Traffic Control Plan that includes details of barricades, signs, flagmen and other traffic devices to implement the proposed road closure.

There are currently no other approved temporary road closures proposed to take place on the same day in close proximity of this closure.

The temporary road closure will not affect any other properties, as local access will be provided at all times and alternative access routes are available nearby.

CONSULTATION

The Applicant will be required to notify affected stakeholders as stipulated in Schedule C.

FINANCIAL

All costs associated with the proposed closure will be borne by the Applicant.
