

ITEM 25. PARKING - PERMIT PARKING - PITT STREET REDFERN

TRIM RECORD NO: 2015/167731

RECOMMENDATION

It is recommended that the Committee endorse the reallocation of parking on the eastern side of Pitt Street, Redfern between the points 12.0 metres and 23.5 metres (2 car spaces) north of Phillip Street as "2P 8am-8pm Mon-Fri Permit Holders Excepted Area 41".

DECISION

BACKGROUND

A resident of Pitt Street has requested consideration to replace the existing "Loading Zone 8am-3pm Mon-Fri" with "2P 8am-8pm Mon-Fri Permit Holders Excepted Area 41" in Pitt Street north of Phillip Street. The Loading Zone was allocated for the hotel which has closed no longer requiring the Loading Zone.

COMMENTS

The kerb space on the eastern side of Pitt Street, Redfern between Phillip and East Streets is currently signposted as "Loading Zone 8am-3pm Mon-Fri".

An on-site inspection shows there is a need to provide timed permit parking to increase parking turnover and improve resident access to on-street parking.

The proposed changes would limit any vehicle which does not have a permit to two (2) hours of parking from 8am to 8pm, Monday to Friday where the signs are installed.

Residents with an Area 41 parking permit will be exempt from the 2-hour time limit.

A two-hour parking limit is preferred for streets in the inner residential areas as it better balances the long-stay parking needs of permit holders with the needs of all households to use parking for visitors, family, carers and tradespeople.

CONSULTATION

The City consulted local residents and businesses in the area. There were 600 letters sent out with one response supporting the proposal and two responses opposing the proposal.

The response supporting the proposal was on grounds that it will give them a better chance of finding parking and the responses opposing the proposal was on grounds that they will have difficulty receiving deliveries.

FINANCIAL

Funds are available in the current budget.
