DECISION

BACKGROUND

The City has received a submission from local residents of the area for the provision of Motorbike Parking in Shepherd Street near Daniels Street.

COMMENTS

The kerb space on the both sides of Shepherd Street, Chippendale near Daniels Street is currently signposted as “No Stopping”.

In response to resident concerns about lack of motorbike parking spaces, it is proposed to introduce “Motor Bikes Only” restrictions in these locations.

City staff will consider motorbike parking in locations where other vehicles don't fit or next to property driveways.

The proposed parking changes would still ensure safe sighting distance at the driveways and at the intersection of Daniels Street.

An assessment of the site revealed that this location is suitable for the provision of dedicated motorbike parking.

The responses supporting the proposal, was on grounds that it will increase their chance of finding parking.
