COMMENTS

The Beams Art Festival is an annual event that requires the closure of City streets and traffic detours around the event area. In 2015, the event will also include the closure of parts of Kensington and Dwyer Streets.

The event has been created to draw together artists, performers, creative industries, eateries and galleries of the area, celebrating its history and future. Ideas of community, relationships, sustainability and creativity are central to the Beams Arts Festival.

The event will occur between 5pm and 10pm on Saturday 19 September 2015.

However no vehicles will be allowed into the event area from 1am on Saturday 19 September 2015 to 1.30am on Sunday 20 September 2015 to allow for bump-in and bump-out operations.

The Applicant has provided a site-specific Traffic Control Plan that includes details of barricades, signs, flagmen and other traffic devices to implement the proposed road closures.
