

**ITEM 15. WORKS ZONE – DUNNING AVENUE ROSEBERY**

**TRIM RECORD NO: 2015/266588**

**RECOMMENDATION**

It is recommended that the Committee endorse the reallocation of the kerb space on the eastern side of Dunning Avenue, Rosebery, between the points 35.0 metres and 55.0 metres (three car spaces) south of Cressy Street as “Works Zone 7.30am-5.30pm Mon-Fri, 7.30am-3.30pm Sat” subject to the following conditions:

- (A) The Applicant must comply with the Works Zone conditions as stipulated in Schedule D of this Agenda.
- (B) The Applicant is not permitted to swing or hoist goods from a Works Zone across or over any part of a public road by means of a lift, hoist or crane unless a separate approval has been obtained from the City's Building Approvals Unit under Section 68 of the Local Government Act 1993.
- (C) The Applicant must notify local residents of the Works Zone at least seven days prior to installation.
- (D) The Applicant must provide a telephone number of the Site Manager.

**DECISION**

**BACKGROUND**

33 Dunning Avenue Pty Ltd has applied for a 20 metre long Works Zone in Dunning Avenue, Rosebery.

The Works Zone is to facilitate construction works at 33-35 Dunning Avenue for a period of approximately 60 weeks.

**COMMENTS**

The kerb space on the eastern side of Dunning Avenue, Rosebery between Cressy and Queen Streets, where the Works Zone is proposed, is currently unrestricted for parking.

The Works Zone is intended to operate from 7.30am to 5.30pm, Mondays to Fridays and from 7.30am to 3.30pm on Saturdays in accordance with the Development Consent Conditions.

The development site has no provision for off-street parking for large trucks and as the approved development takes up the entire site, the Developer is unable to carry out construction unless a Works Zone is provided directly in front of the site. The street is wide enough to allow the Works Zone to be installed without affecting traffic flow or property access.

As there are trees located within, and adjacent to the Works Zone, the Applicant must obtain separate approval from the City's Tree Management Team if loading or unloading from the Works Zone will impact on adjacent trees.

**CONSULTATION**

The Applicant must notify adjacent properties at least seven days prior to the implementation of the Works Zone.

**FINANCIAL**

All costs associated with the Works Zone will be borne by the Applicant.
