DECISION

BACKGROUND

Ford Civil Contracting Pty Ltd has applied for the temporary road closure for eastbound traffic in Scotsman Street, between Minogue Crescent and Ross Street, Forest Lodge from 6am on 10 November to 6pm on 13 November 2015.

COMMENTS

The proposed temporary road closure is required to enable road works and re-sheeting along the Scotsman Street frontage of Maestro building at 93-137 Ross Street.

There is a wide central median in Scotsman Street and the Applicant has advised that the westbound traffic lane on the other side of the median will remain open during these works.

The Applicant has provided a site-specific Traffic Control Plan that includes details of barricades, signs, flagmen and other traffic devices to implement the proposed road closure.

There are currently no other approved temporary road closures proposed to take place on the same day in close proximity of this closure.

The temporary road closure will not affect any other properties, as local access will be provided at all times and alternative access routes are available nearby.

CONSULTATION

The Applicant will be required to notify affected stakeholders as stipulated in Schedule C.

FINANCIAL

All costs associated with the proposed closure will be borne by the Applicant.
