

**ITEM 65. TRAFFIC TREATMENT - TRAFFIC - SHARED PATH - LANDER
STREET DARLINGTON**

TRIM RECORD NO: 2015/465799

RECOMMENDATION

It is recommended that the Committee endorse the installation of a shared path through the Lander Street road closure at Shepherd Street, Darlington.

DECISION

BACKGROUND

The City is committed to supporting existing cyclists and encouraging more people to cycle by improving safety and the connectivity of the City's cycling network.

The City proposes to install a shared path through the Lander Street road closure at Shepherd Street, Darlington. The shared path will also improve the safety of pedestrians and cyclist.

COMMENTS

Bicycle riding is supported as a low cost, environmentally friendly mode of transport that can help to improve the liveability of our towns and cities.

The proposal will help make the area more accessible for bike riders by connecting Lander Street to the existing mixed traffic environment on Shepherd Street.

The proposal consists of signage and pavement markings only and will not effect on-street parking.

CONSULTATION

The City consulted with the University of Sydney. The University raised no objection to the works.

FINANCIAL

Funds are available in the current budget for the Broadway Bicycle Link to implement the shared path.
