**DECISION**

**BACKGROUND**

Construction Solutions has applied for the temporary road closure of Francis Street, between Glebe Point Road and Bay Street, Glebe, on two Sundays 22 and 29 November 2015 from 7am to 5pm.

**COMMENTS**

The proposed temporary road closure is required to allow a mobile crane to be used to replace air-conditioning units on the frontage of Broadway Shopping Centre.

The Applicant has been engaged by the Broadway Shopping Centre management to undertake these works.

The Applicant has provided a site-specific Traffic Control Plan that includes details of barricades, signs, flagmen and other traffic devices to implement the proposed road closure.

The temporary road closure will not affect any other properties, as local access will be provided at all times and alternative access routes are available nearby.
