

**ITEM 10. WORKS ZONE – ELIZABETH STREET SURRY HILLS**

**TRIM RECORD NO: 2015/530092**

**RECOMMENDATION**

It is recommended that the Committee endorse the reallocation of the kerb space on the western side of Elizabeth Street, Surry Hills, between the points 10 metres and 23.5 metres (two car spaces) north of Belvoir Street as “No Parking 7am-9.30am, 4pm-6pm Mon-Fri” and “Works Zone 9.30am-4pm Mon-Fri, 7.30am-3.30pm Sat, 4P 6pm-10pm Mon-Sun”, subject to the following conditions:

- (A) The Applicant must comply with the Works Zone conditions as stipulated in Schedule D of this Agenda.
- (B) The Applicant is not permitted to swing or hoist goods from a Works Zone across or over any part of a public road by means of a lift, hoist or crane unless a separate approval has been obtained from the City's Building Approvals Unit under Section 68 of the Local Government Act 1993.
- (C) Works for major transport projects, such as the Sydney Light Rail Project and the Sydney City Centre Access Strategy, are currently being undertaken in the City's Local Government Area and have priority access and use rights over City owned or controlled land including roads and footpaths. The City may at any time, and with at least 1 business days' notice to the applicant, revoke, suspend or restrict the Works Zone:
  - if the Works Zone is required for a major transport project; or
  - is impracticable due to changes arising from a major transport project, such as traffic diversions; or
  - is otherwise unsuitable due to a major transport project.

The applicant must make its own enquiries, on a regular basis, about the potential impact of major transport projects on the Works Zone and the construction program for its development site.

- (D) The Applicant must notify adjacent properties of the Works Zone at least seven days prior to installation.
- (E) The Applicant must provide a telephone number of the Site Manager.

**DECISION**

**BACKGROUND**

My Build Sydney Pty Ltd has applied for a 13.5 metre long Works Zone in Elizabeth Street, Surry Hills.

The Works Zone is to facilitate construction works at 533 Elizabeth Street for a period of approximately 26 weeks.

## **COMMENTS**

The kerb space on the western side of Elizabeth Street, Surry Hills between Belvoir and Bedford Streets, where the Works Zone is proposed, is currently signposted as “No Parking 7am-9.30am, 4pm-6pm Mon-Fri”, “2P 9.30am-4pm Mon-Fri, 8.30am-12.30pm Sat, 4P 6pm-10pm Mon-Sun”.

There are currently morning and afternoon peak-period No Parking restrictions at this location. The proposed Works Zone is intended to operate from 9.30am to 4pm, Mondays to Fridays and from 7.30am to 3.30pm on Saturdays outside the peak-period No Parking restrictions. These operating hours are within Development Consent construction hours.

The development site has no provision for off-street parking for large trucks and as the approved development takes up the entire site, the Developer is unable to carry out construction unless a Works Zone is provided directly in rear of the site. The street is wide enough to allow the Works Zone to be installed without affecting traffic flow or property access.

As there are trees located within, and adjacent to the Works Zone, the Applicant must obtain separate approval from the City’s Tree Management Team if loading or unloading from the Works Zone will impact on adjacent trees.

## **CONSULTATION**

The Applicant must notify adjacent properties at least seven days prior to the implementation of the Works Zone.

## **FINANCIAL**

All costs associated with the Works Zone will be borne by the Applicant.
