

ITEM 25. PARKING – UNRESTRICTED PARKING – PITT STREET SYDNEY

TRIM RECORD NO: 2015/530296

RECOMMENDATION

It is recommended that the Committee endorse the reallocation of parking on the western side of Pitt Street, Sydney, between the points 85.5 metres and 95.6 metres (two car spaces), and 104.4 metres and 123.3 metres (three car spaces) south of Hunter Street as “Loading Zone Ticket 6am-6pm Mon-Fri, 6am-10am Sat” and 4P Ticket 6pm-10pm Mon-Fri, 10am-10pm Sat, 8am-10pm Sun & Public Holidays”.

DECISION

BACKGROUND

Due to the Super Taxi Rank on the eastern side of Pitt Street, between Hunter Street and Martin Place, it is proposed to remove the “Taxi Zone Other Times” restriction on the western side of the street. The proposal will prevent confusion and consolidate parking.

COMMENTS

The Committee on 18 March 2015 endorsed a Super Taxi Rank on the eastern side of Pitt Street, between Hunter Street and Martin Place, for general taxi use during the day (6 spaces) and extend the zone at night by an additional 14 spaces.

The Super Taxi Rank is the primary location for taxi operations near Martin Place and the “Taxi Zone Other Times” (five spaces) on the western side of Pitt Street is no longer required.

The removal of the part-time Taxi Zone is necessary to prevent confusion between taxis and passengers.

CONSULTATION

The City previously consulted on the Super Taxi Rank and the removal of the “Taxi Zone Other Times” will have no impact on business operations in the area.

FINANCIAL

Funds are available in the current budget.
