

ITEM 53. PARKING - PERMIT PARKING - PITT STREET REDFERN

TRIM RECORD NO: 2015/540587

RECOMMENDATION

It is recommended that the Committee endorse the reallocation of parking on the western side of Pitt Street, Redfern between the points 17.6 metres and 26.1 metres (one car space) north of Wells Street as "1P 8am-8pm Mon-Fri Permit Holders Excepted Area 41".

DECISION

BACKGROUND

The Developer of 66-70 Pitt Street, Redfern has requested the extension of the adjoining 1P Permit Holders restriction across the former driveway of the property.

COMMENTS

Property 66-70 Pitt Street, Redfern has a driveway on Pitt Street which is currently signposted as "No Parking".

The City has approved the redevelopment of the site and a Condition of Development Consent requires the removal of the driveway and the reinstatement of parking.

It is proposed to reallocate the "No Parking" zone to "1P 8am-8pm Mon-Fri Permit Holders Excepted Area 41" which would result in an increase of one parking space for residents and visitors to the area.

CONSULTATION

The City did not consult local residents in the area as this change is required as part of the development consent.

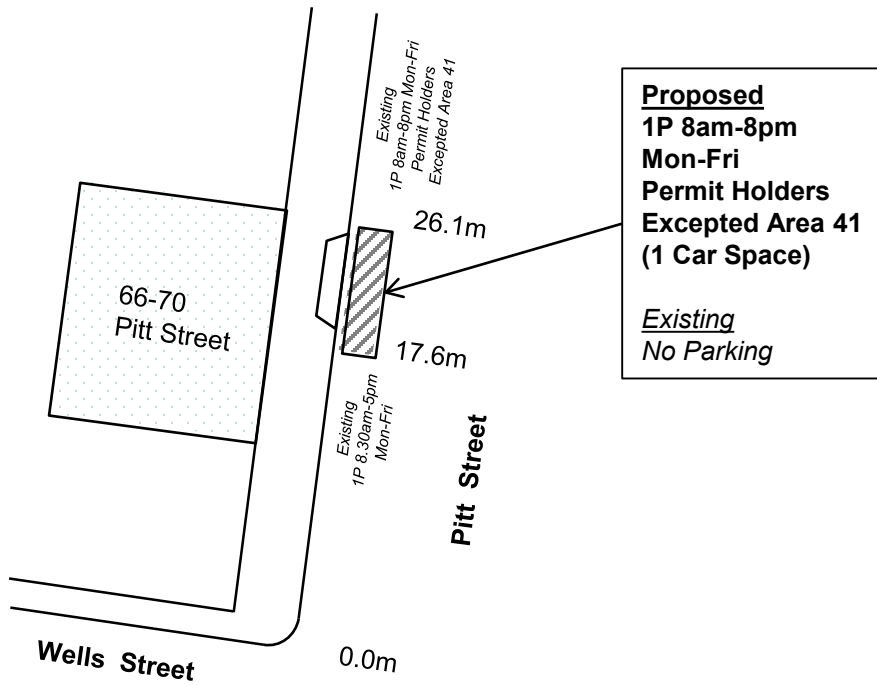

FINANCIAL

All costs associated with the proposed work will be borne by the Applicant.
