

**ITEM 22. PARKING – PERMIT PARKING - WYNDHAM STREET ALEXANDRIA**

**TRIM RECORD NO: 2016/033847**

**RECOMMENDATION**

It is recommended that the Committee endorse the reallocation of parking on the eastern side of Wyndham Street, Alexandria between the points 64.8 metres and 83.5 metres (three car spaces) south of Buckland Street as “2P 8am – 6pm Mon – Fri, Permit Holders Excepted Area 39”.

**DECISION**

**BACKGROUND**

The Developer of Alexandria Gardens, 146-156 Botany Road/Wyndham Street, Alexandria has requested the extension of the adjoining 2 hour permit parking restriction across the former driveways of the property.

**COMMENTS**

Alexandria Gardens, 146-156 Botany Road/Wyndham Street, Alexandria has two driveways on Wyndham Street which are currently signposted as “No Parking”.

The City has approved the redevelopment of the site and a Condition of Development Consent requires the removal of the driveways and the adjustment to the parking restrictions in front of the development.

It is proposed to reallocate the “No Parking” zone across the former driveways to “2P 8am-6pm Mon-Fri Permit Holders Excepted Area 39” as per the adjacent kerbspace. This would result in an increase of three parking spaces for residents and visitors to the area.

**CONSULTATION**

The City did not consult local residents in the area as this change is required as part of the development consent.

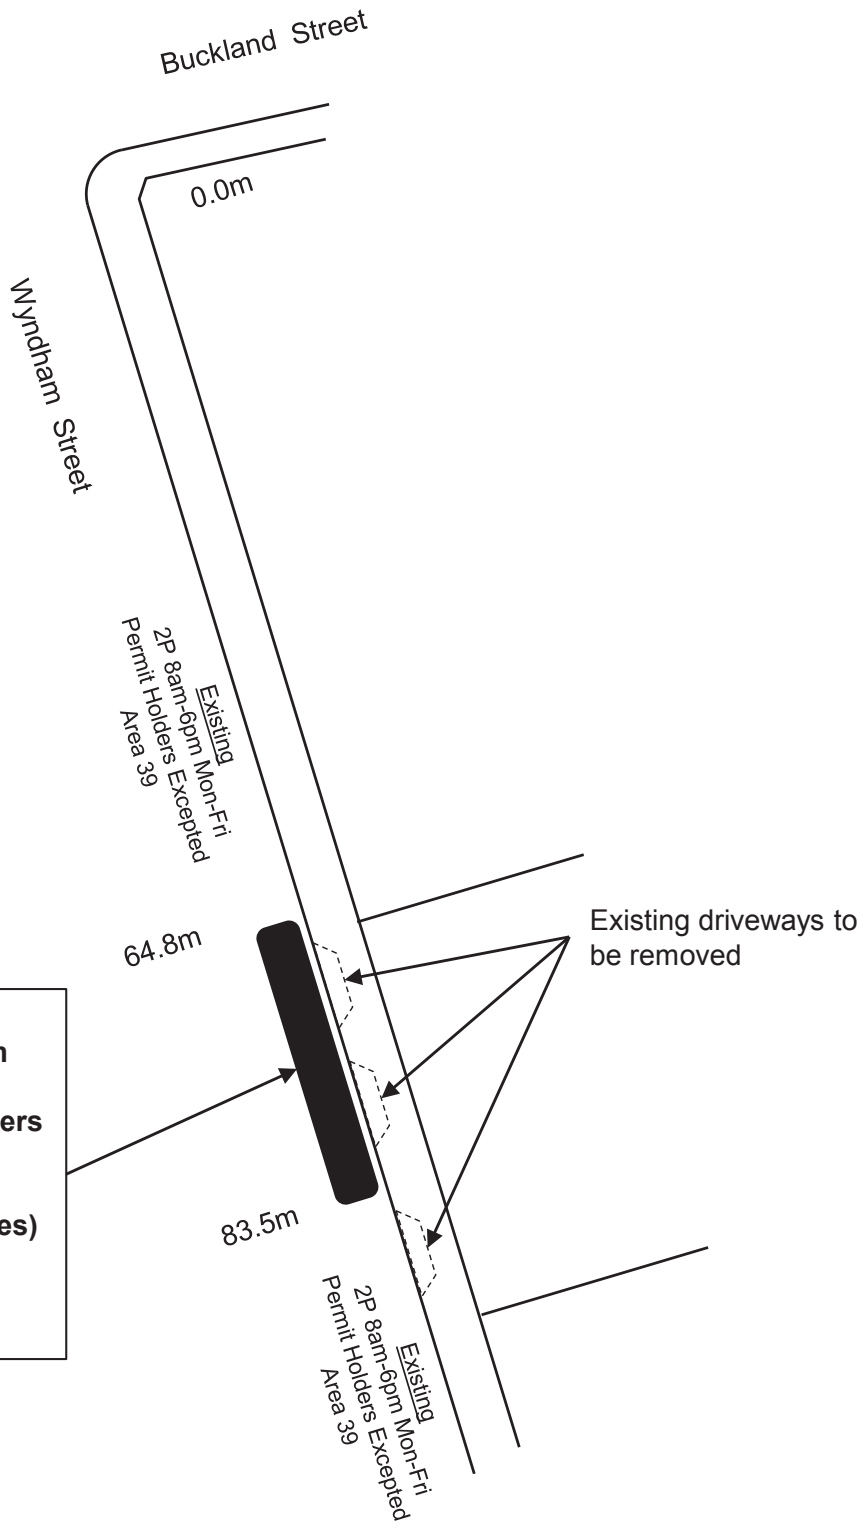

**FINANCIAL**

All costs associated with the proposed work will be borne by the Applicant.
