**DECISION**

**BACKGROUND**

The Developer of 1 Newcombe Street, Paddington has requested the extension of the adjoining 1 hour permit parking restriction across the former driveway of the property in Gordon Street.

**COMMENTS**

Property No. 1 Newcombe Street, Paddington has a driveway on Gordon Street which is currently signposted as “No Stopping”.

The City has approved the redevelopment of the site and a Condition of Development Consent requires the removal of the driveway and the adjustment to the parking restrictions in front of the development.

It is proposed to reallocate the “No Stopping” zone across the former driveway to “1P 8am-10pm, Permit Holders Excepted Area 13” as per the adjacent kerbspace. This would result in an increase of two parking spaces for residents and visitors to the area.

**CONSULTATION**

The City did not consult local residents in the area as this change is required as part of the development consent.

**FINANCIAL**

All costs associated with the proposed work will be borne by the Applicant.
