DECISION

BACKGROUND

A business owner in Kensington Street has requested consideration of a “No Stopping” restriction to ensure unobstructed access to their loading dock.

COMMENTS

Part of the kerb space on the western side of Kensington Street, Chippendale between Broadway and Outram Street is currently signposted as "P15 Minute Ticket 8am-6pm, 4P Ticket 6pm-10pm". This restriction allows vehicles to be parked across a loading dock which obstructs access.

An on-site inspection shows there is a need to extend the adjacent “No Stopping” restriction across the loading dock to maintain access.

CONSULTATION

The City consulted local residents and businesses in the area. There were 1820 letters sent out with one response supporting the proposal and one response opposing the proposal due to loss of parking in the area.

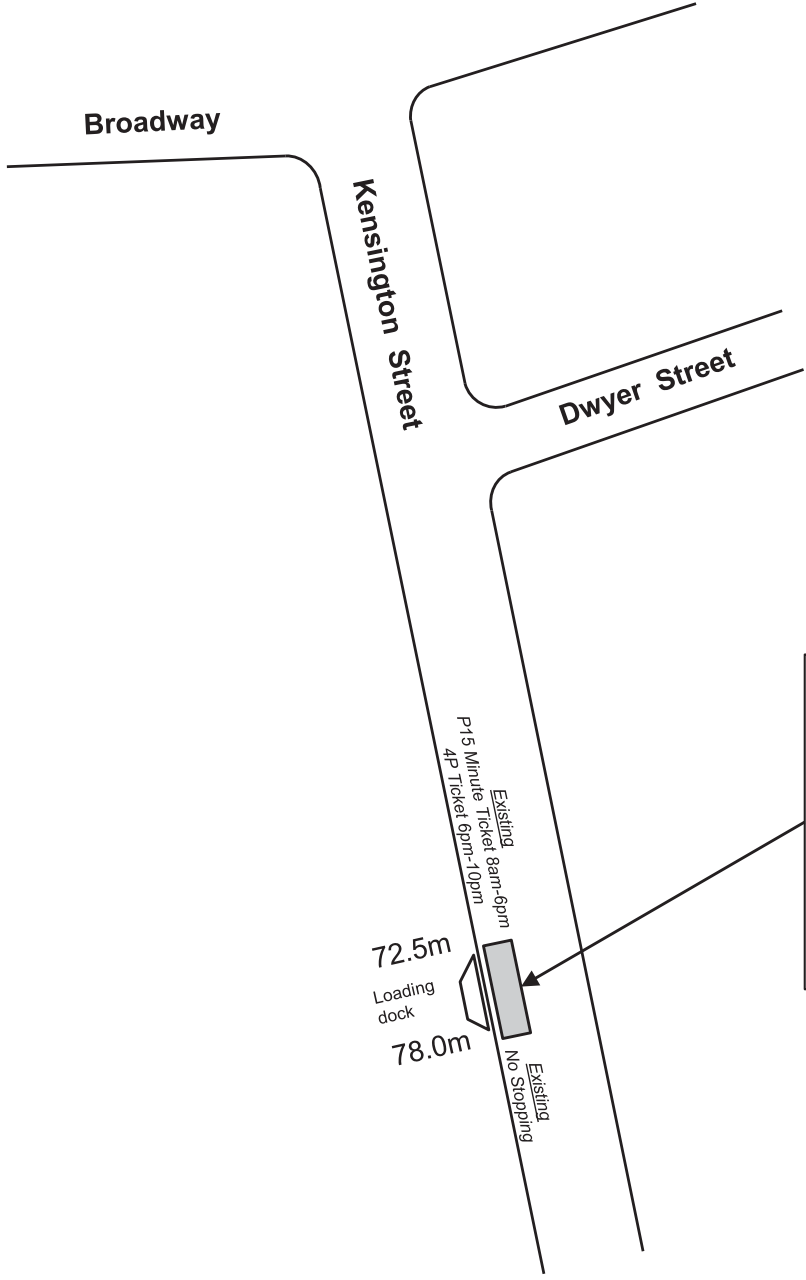

FINANCIAL

Funds are available in the current budget.
