DECISION

BACKGROUND

The City is committed to providing dedicated parking for car sharing across the Local Government Area as part of a Council approved Car Share Policy. A submission has been received from GoGet for a car share space in Portman Street, north of Hansard Street.

COMMENTS

The kerb space on the eastern side of Portman Street, Zetland between Merton Street and Hansard Street is currently signposted as “No Parking”.

The car share space will be installed and managed in accordance with the Roads and Maritime Service’s Technical Direction 2007/04 and the provisions of the Council-approved Car Share Policy.

Car sharing is popular in more than 600 cities worldwide, and research has shown substantial environmental benefits. Car sharing reduces total urban driving, reduces household vehicle holdings, and increases walking, cycling and public transport use.

On average, each car share vehicle in the City can replace up to 12 private vehicles that would otherwise compete for parking.

Current membership is approximately 29,069, of which 7,649 are business members.

As of February 2016, there were 30 GoGet car share members within a 250 metre radius of this location with 10 members in Hansard Street and nine members in Epsom Road.

Within a 250 metre radius of this location, there is currently two spaces allocated for GoGet car share vehicles.
