DECISION

BACKGROUND

The City is committed to providing dedicated parking for car sharing across the Local Government Area as part of a Council-approved Car Sharing Policy. A submission has been received from Hertz 24/7 for a car share space in Archibald Avenue, east of Bourke Street.

COMMENTS

The kerb space on the northern side of Archibald Avenue, Waterloo between Bourke Street and Sam Sing Street is currently signposted as “2P 8am-6pm Mon-Fri”.

The car share space will be installed and managed in accordance with the Roads and Maritime Service’s Technical Direction 2007/04 and the provisions of the Council-approved Car Sharing Policy.

Car sharing is popular in more than 600 cities worldwide, and research has shown substantial environmental benefits. Car sharing reduces total urban driving, reduces household vehicle holdings, and increases walking, cycling and public transport use.

On average, each car share vehicle in the City can replace up to 12 private vehicles that would otherwise compete for parking.

Current membership is approximately 29,069, of which 7,649 are business members.

As of February 2016, there were 184 Hertz 24/7 members in Postcode 2017.

Within a 250 metre radius of this location, there are currently no spaces allocated for Hertz 24/7 car share vehicles

CONSULTATION

The City consulted local residents and businesses in the area. There were 564 letters sent out with no responses supporting the proposal and two responses opposing the proposal due to the loss of parking and the number of spaces already dedicated to car sharing in the local area is sufficient.

FINANCIAL

Funds are available in the current budget.
