DECISION

BACKGROUND

The City is committed to providing dedicated parking for car sharing across the Local Government Area as part of a Council approved Car Share Policy. A submission has been received from GoGet for a car share space in Campbell Street, Newtown, east of Susan Street.

COMMENTS

The kerb space on the northern side of Campbell Street, Newtown between Susan Street and Missenden Road is currently unrestricted for parking.

The car share space will be installed and managed in accordance with the Roads and Maritime Service’s Technical Direction 2007/04 and the provisions of the Council-approved Car Share Policy.

Car sharing is popular in more than 600 cities worldwide, and research has shown substantial environmental benefits. Car sharing reduces total urban driving, reduces household vehicle holdings, and increases walking, cycling and public transport use.

On average, each car share vehicle in the City can replace up to 12 private vehicles that would otherwise compete for parking.

Current membership is approximately 29,069, of which 7,649 are business members.

As of March 2016, there were 267 GoGet car share members within a 250 metre radius of this location with 11 members in Campbell Street, 23 members in Missenden Road, and 38 members in King Street.

Within a 250 metre radius of this location, there is currently eight spaces allocated for GoGet car share vehicles.
