DECISION

BACKGROUND

A resident of George Street has requested consideration of replacing the existing redundant loading zone in Wells Street, Redfern with permit parking.

COMMENTS

The kerb space on the southern side of Wells Street, Redfern between George and Renwick Streets is currently partly signposted as 'Loading Zone' and 'No Stopping'.

The Loading Zone is no longer needed as the adjacent premises has been changed to residential. The kerbspace would be changed to "2P 8am-8pm Mon-Fri Permit Holders Excepted Area 41" as per the adjacent kerbspace.

An on-site inspection shows there is a need to provide timed permit parking to increase parking turnover and improve resident access to on-street parking.

The proposed changes would limit any vehicle which does not have a permit to two (2) hours of parking from 8am to 8pm, Monday to Friday where the signs are installed.

Residents with an Area 41 parking permit will be exempt from the two-hour time limit.

CONSULTATION

The City consulted local residents and businesses in the area. There were 51 letters sent out with no responses supporting or opposing the proposal.

FINANCIAL

Funds are available in the current budget.
