**DECISION**

**BACKGROUND**

Construction Solutions has applied for the temporary road closure of Kippax Street, between Waterloo and Lacey Streets, Surry Hills on Saturday 6 August 2016 from 6am to 6pm.

**COMMENTS**

The proposed temporary road closure is required to allow a mobile crane to install a tower crane on the frontage of 119-127 Kippax Street.

The Applicant has provided a site-specific Traffic Control Plan that includes details of barricades, signs, flagmen and other traffic devices to implement the proposed road closure.

On the closure day the Applicant proposes to temporarily remove two parking spaces in Lacey Street to provide better flow for detour traffic.

There are currently no other approved temporary road closures proposed to take place on the same day in close proximity of this closure.

The temporary road closure will not affect any other properties, as local access will be provided at all times and alternative access routes are available nearby.

### **CONSULTATION**

The Applicant will be required to notify affected stakeholders as stipulated in Schedule C.

### **FINANCIAL**

All costs associated with the proposed closure will be borne by the Applicant.
