DECISION

BACKGROUND

Construction Solutions has applied for the temporary road closure of Francis Street, between Bay and Grose Streets, Glebe, from 9pm on Monday 1 August to 5am on Tuesday 2 August 2016.

COMMENTS

The proposed temporary road closure is required to allow a mobile crane to replace the air-conditioning unit on the rooftop of Broadway Shopping Centre.

The Applicant has provided a site-specific Traffic Control Plan that includes details of barricades, signs, flagmen and other traffic devices to implement the proposed road closure.

There are currently no other approved temporary road closures proposed to take place on the same day in close proximity of this closure.

The temporary road closure will not affect any other properties, as local access will be provided at all times and alternative access routes are available nearby.

A Traffic Management Plan (TMP) for the temporary road closure was approved by Roads and Maritime Services (RMS).

CONSULTATION

The Applicant will be required to notify affected stakeholders as stipulated in Schedule C.

FINANCIAL

All costs associated with the proposed closures will be borne by the Applicant.
