**DECISION**

**BACKGROUND**

MS Australia has applied for various temporary road closures for the MS Sydney to the Gong Bike Ride 2016 on Sunday 6 November 2016 from 4am to 9am.

**COMMENTS**

The MS Australia Sydney to the Gong Bike Ride 2016 is an important fundraising event for Multiple Sclerosis NSW. Over its 34-year history, the event has raised significant funds to improve the quality of life of people with multiple sclerosis, their family and careers; to educate the community; and to assist in funding MS Research.

This is an annual event with the full 90km course starting at Sydney Park, St Peters and finishing at W.A. Lang Park, Wollongong.

Within the City's Local Government Area, the following streets will be closed for the event.

**Road Closures – Sunday 6 November 2016, 4am to 9am**

- Euston Road between Sydney Park Road and Campbell Road, Alexandria
- Campbell Road between Burrows Road and Barwon Park Road, Alexandria (Local Residents excepted).
- Burrows Road between Huntley Street and Canal Road, Alexandria (Local Residents excepted).

The temporary road closures will not affect any other properties, as local access will be provided at all times and alternative access routes are available nearby.

There is currently ongoing roadworks along Huntley Street, Alexandria. If the detoured traffic towards Huntley Street causes congestion, the subsequent detoured traffic must be diverted via Euston Road and Maddox Street, Alexandria.

A Traffic Management Plan (TMP) for the temporary road closure was approved by the Transport for NSW Traffic Management Centre.

**CONSULTATION**

The Applicant will be required to notify affected residents and stakeholders as stipulated in Schedule B.

**FINANCIAL**

Not applicable as MS Australia is a not-for-profit organisation which is exempt from fees as stipulated in the current Fees and Charges
