**DECISION**

**BACKGROUND**

Shape Australia Pty Ltd has applied for an 18 metre long Works Zone in Wellington Street, Waterloo.

The Works Zone is to facilitate construction works at 24-30 Wellington Street, Waterloo for a period of approximately 22 weeks.

**COMMENTS**

The kerb space on the southern side of Wellington Street, Waterloo between Morehead Street and Brisbane Lane, where the Works Zone is proposed, is currently unrestricted for parking.

The Works Zone is intended to operate from 7.30am to 5.30pm, Monday to Friday and from 7.30am to 3.30pm on Saturdays in accordance with the Development Consent Conditions.

The development site has no provision for off-street parking for large trucks and as the approved development takes up the entire site, the Developer is unable to carry out construction unless a Works Zone is provided directly in front of the site. The street is wide enough to allow the Works Zone to be installed without affecting traffic flow or property access.

As there are trees located within, and adjacent to the Works Zone, the Applicant must obtain separate approval from the City's Tree Management Team if loading or unloading from the Works Zone will impact on adjacent trees.

### **CONSULTATION**

The Applicant must notify adjacent properties at least seven days prior to the implementation of the Works Zone.

### **FINANCIAL**

All costs associated with the Works Zone will be borne by the Applicant.
