DECISION

BACKGROUND

A resident of Nickson Street has requested consideration of timed permit parking in front of their property to provide additional parking opportunities for residents.

COMMENTS

The kerb space on the eastern side of Nickson Street, Surry Hills between Willshire Street and Cartmore Lane is currently mostly signposted as “2P 8am-10pm Permit Holders Excepted Area 18” along with the two unrestricted parking spaces mid-block.

On-site inspection shows there is a need to provide timed permit parking to increase parking turnover and improve resident access to on-street parking.

The proposed changes would limit any vehicle which does not have a permit to two (2) hours of parking from 8am to 10pm, seven days a week where the signs are installed.

Residents with an Area 18 parking permit will be exempt from the two-hour time limit.

A two-hour parking limit is preferred for streets in the inner residential areas as it better balances the long-stay parking needs of permit holders with the needs of all households to use parking for visitors, family, carers and tradespeople.

CONSULTATION

The City consulted local residents and businesses in the area. There were 173 letters sent out with one response supporting the proposal and no responses opposing the proposal.

FINANCIAL

Funds are available in the current budget.
