**DECISION**

## **BACKGROUND**

Alert Traffic Control has applied for the temporary road closure of Commonwealth Street, between Hunt and Goulburn Streets, Surry Hills, on Sunday 6 November 2016 from 7am to 5pm.

## **COMMENTS**

The proposed temporary road closure is required to allow a mobile crane to install a tower crane on the frontage of 74-76 Commonwealth Street, Surry Hills.

The Applicant has provided a site-specific Traffic Control Plan that includes details of barricades, signs, flagmen and other traffic devices to implement the proposed road closure.

Given the 301, 302 and 303 services currently use Commonwealth Street between Goulburn and Campbell Streets, the Applicant has been in consultation with Sydney Buses about the temporary closure. It has been confirmed that during the closure services will be diverted via Goulburn and Riley Streets and the Applicant will pay for the rerouting of bus services around the closure, the temporary relocation of bus stops and any additional staff required.

There are currently no other approved temporary road closures proposed to take place on the same day in close proximity of this closure.

The temporary road closure will not affect any other properties, as local access will be provided at all times and alternative access routes are available nearby.

A Traffic Management Plan (TMP) for the temporary road closure was approved by Roads and Maritime Services (RMS).

## **CONSULTATION**

The Applicant will be required to notify affected stakeholders as stipulated in Schedule C.

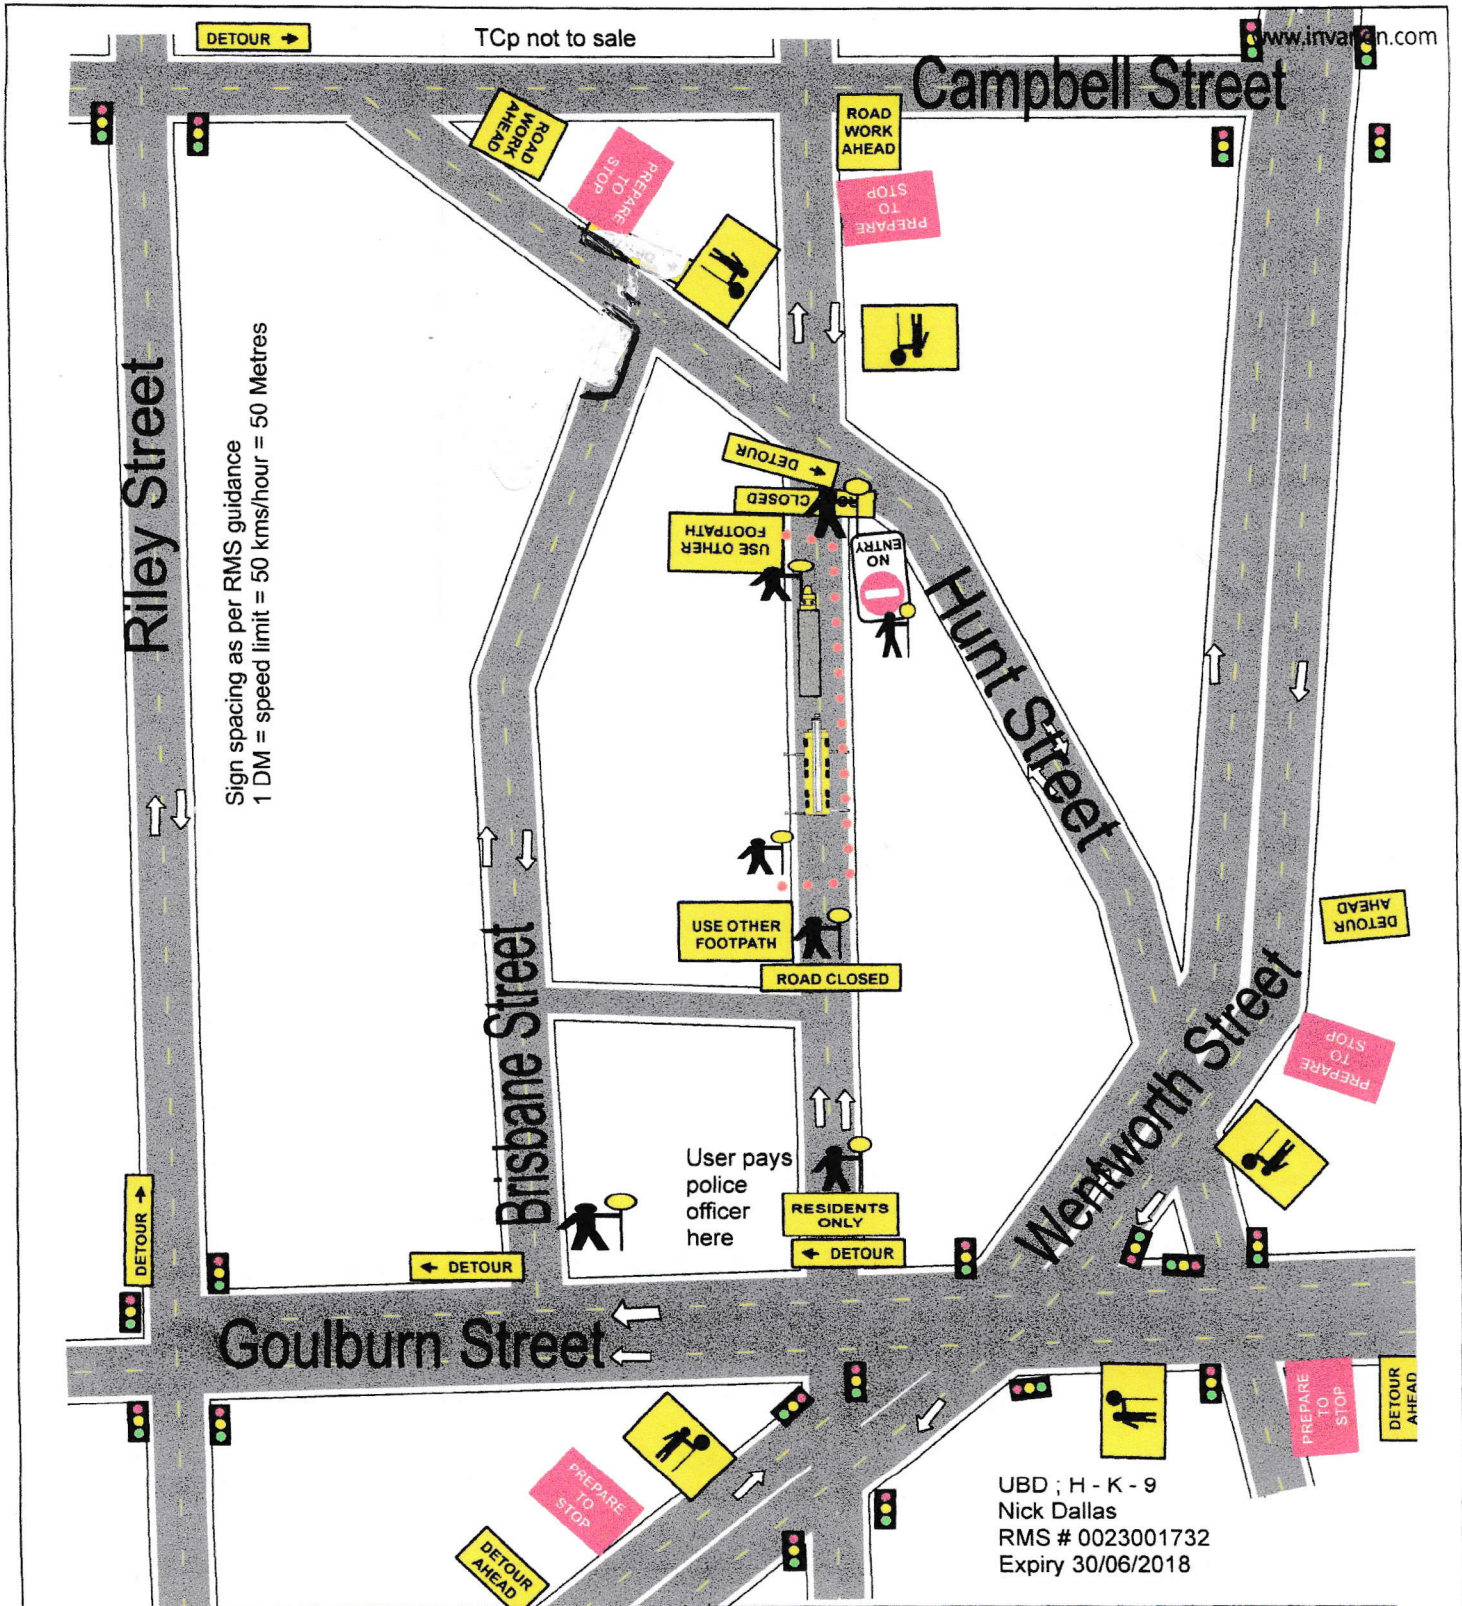

## **FINANCIAL**

All costs associated with the proposed closure will be borne by the Applicant.
