DECISION

BACKGROUND

The City is committed to providing dedicated parking for car sharing across the Local Government Area as part of a Council-approved Car Share Policy. A submission has been received from Hertz 24/7 for a car share space in O'Connor Street, Chippendale, west of Carlton Street.

COMMENTS

The kerb space on the southern side of O'Connor Street, Chippendale, between Carlton and Abercrombie Streets, Chippendale is signposted as "2P Ticket 8am-10pm Permit Holders Excepted Area 32".

The car share space will be installed and managed in accordance with the Roads and Maritime Service's Technical Direction 2007/04 and the provisions of the Council-approved Car Share Policy.

Car sharing is popular in more than 600 cities worldwide, and research has shown substantial environmental benefits. Car sharing reduces total urban driving, reduces household vehicle holdings, and increases walking, cycling and public transport use.

On average, each car share vehicle in the City can replace up to 12 private vehicles that would otherwise compete for parking.

Current membership is approximately 31,188, of which 9,793 are business members.

As of August 2016, there were 133 Hertz 24/7 members in Postcode 2008.

Within a 250 metre radius of this location, there are currently two spaces allocated for Hertz 24/7 car share vehicles.

CONSULTATION

The City consulted local residents and businesses in the area. There were 474 letters sent out with no responses supporting the proposal and one response opposing the proposal.
