DECISION

BACKGROUND

The City is committed to providing dedicated parking for car sharing across the Local Government Area as part of a Council-approved Car Share Policy. A submission has been received from GoGet for a car share space in Wolseley Grove Zetland, west of Grandstand Parade.

COMMENTS

The kerb space on the northern side of Wolseley Grove, Zetland, between Grandstand Parade and Joynton Avenue is signposted as “4P 8am-6pm Mon-Fri”.

The car share space will be installed and managed in accordance with the Roads and Maritime Service’s Technical Direction 2007/04 and the provisions of the Council-approved Car Share Policy. As the remaining kerbside space south of the proposed car share space is insufficient for another car, the City has proposed to utilise this space for motorbike parking.

Car sharing is popular in more than 600 cities worldwide, and research has shown substantial environmental benefits. Car sharing reduces total urban driving, reduces household vehicle holdings, and increases walking, cycling and public transport use.

On average, each car share vehicle in the City can replace up to 12 private vehicles that would otherwise compete for parking.

Current membership is approximately 31,188, of which 9,793 are business members.

As of August 2016 there were 276 GoGet car share members within a 250 metre radius of this location with 40 members in Gadigal Avenue, 39 members in Defries Avenue, and 14 members in Victoria Park Parade.

Within a 250 metre radius of this location, there are currently five spaces allocated for GoGet car share vehicles.

CONSULTATION

The City consulted local residents and businesses in the area. There were 347 letters sent out with no responses supporting the proposal and one response opposing the proposal.
