**DECISION**

**BACKGROUND**

A resident of Wilson Street has requested the removal of the existing “Disability Parking Only” restricted space in the street, as the dedicated parking space is no longer required by the original applicant.

**COMMENTS**

The kerb space on the northern side of Wilson Street, Darlington between Fitzroy Street and Queen Street is currently signposted as “2P 8am-10pm Mon-Fri Permit Holders Excepted Area 22” with one “Disability Parking Only” space.

The designated “Disability Parking Only” space is no longer required by the original applicant and therefore can be removed. On-site inspections showed there is a need to provide timed permit parking to increase parking turnover and improve resident access to on-street parking. Therefore the disability parking space will be replaced with timed permit parking as per adjacent restrictions.

The proposed changes would limit any vehicle which does not have a permit to two (2) hours of parking from 8am to 10pm, Monday to Friday where the signs are installed. Residents with an Area 22 parking permit will be exempt from the two-hour time limit.

**CONSULTATION**

The City consulted local residents and businesses in the area. There were 53 letters sent out with three responses supporting and no responses opposing the proposal.

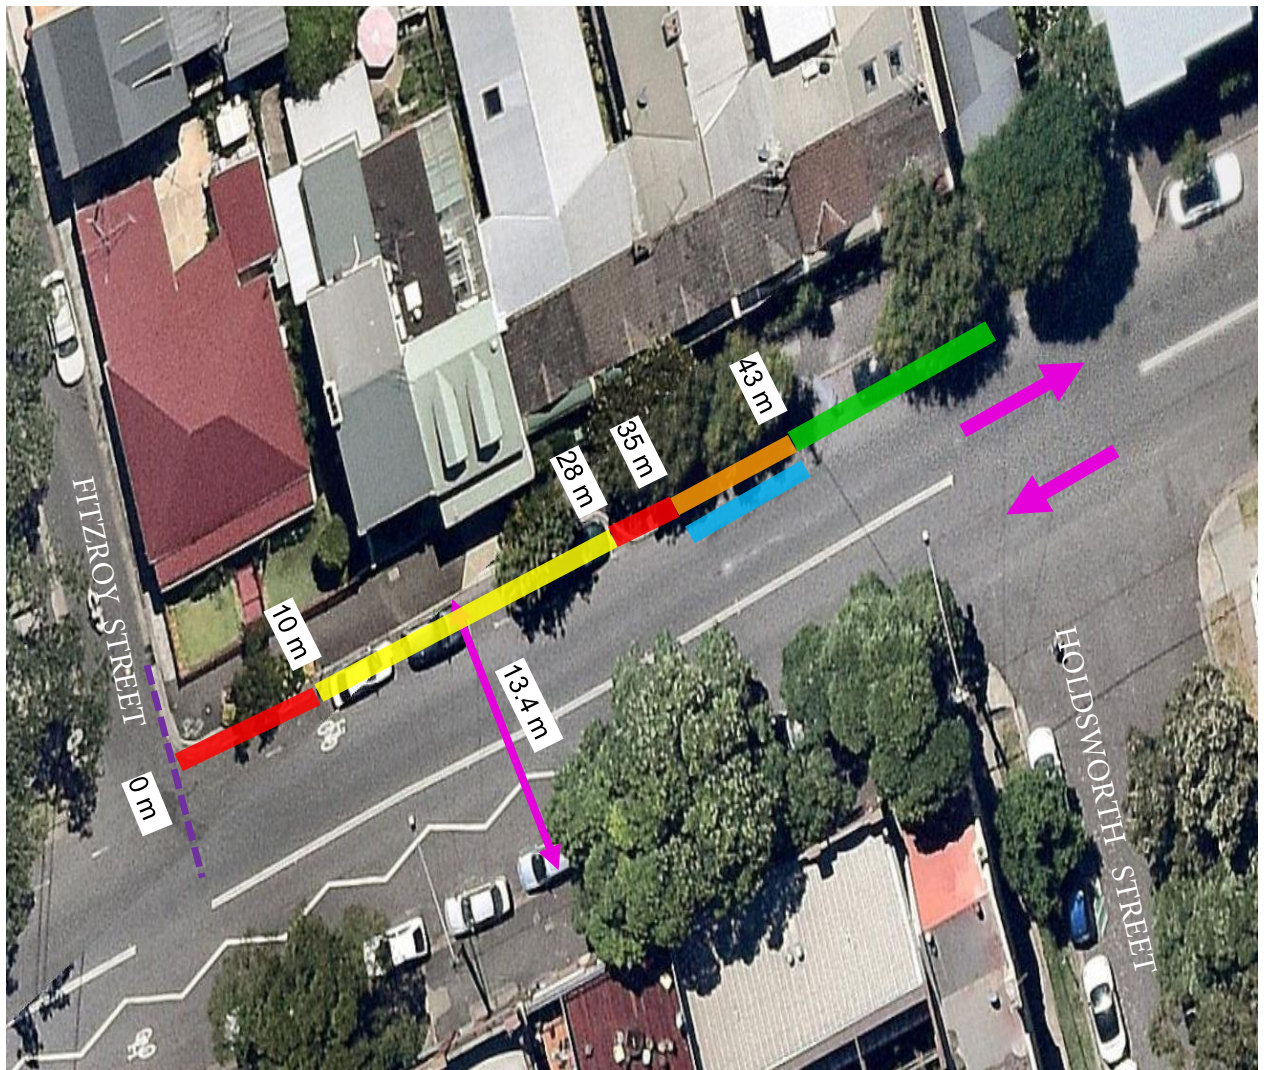

**FINANCIAL**

Funds are available in the current budget.
