DECISION

BACKGROUND

The Sydney Cricket and Sports Ground Trust applied for the temporary road closure of westbound traffic on Moore Park Road, Centennial Park, between Oxford Street and Drivers Avenue, for a Coldplay Concert 2016 at Allianz Stadium on Tuesday, 13 December 2016 and Wednesday, 14 December 2016 from 9:30pm-11:30pm.

COMMENTS

The Sydney Cricket and Sports Ground Trust hosted a Coldplay concert at Allianz Stadium on Tuesday, 13 December 2016 and Wednesday, 14 December 2016. This event required the temporary closure of westbound traffic on Moore Park Road and traffic management around the event location.

The road was occupied by barriers to control the expected volumes of pedestrian traffic coming out of Allianz Stadium after the concert.

The Applicant provided a site-specific Traffic Control Plan that includes details of barricades, signs, flagmen and other traffic devices to implement the proposed road closure.

The temporary road closure does not affect any other properties as local access is provided at all times and alternative access routes were available nearby.
