DECISION

BACKGROUND

In past years, the Boxing Day Sales have affected traffic and access around Pitt Street Mall which has required the Police to implement unplanned road closures of Pitt and Market Streets with traffic diversions.

COMMENTS

The Boxing Day Sales on Monday 26 December 2016 has developed into an annual event that requires the temporary road closure of City streets and traffic detours around the event area.

The Police and Transport for NSW (TfNSW) have developed road closure arrangements for Market Street, between Elizabeth and George Streets, and Pitt Street, between Park and Market Streets.

Temporary Road Closures – 26 December 2016, 1am to 11pm

- Market Street, between Elizabeth and George Streets; and
- Pitt Street, between Park and Market Streets.

Castlereagh Street will remain open for vehicles travelling south.

Vehicular access to the Hilton Hotel and public car park will be provided on Pitt Street, north of Park Street.

A drop off point for Swissotel Hotel guests will be available on the eastern side of York Street approaching Market Street.

Roads will be progressively closed and re-opened by the Police at their discretion subject to pedestrian safety.

Patrons attending Boxing Day Sales are advised to use public transport. Timetables, maps and trip planning will be available on www.transportnsw.info.

George Street is already closed between Bathurst and Hunter Streets as part of the CBD and South East Light Rail with only local access permitted.

There are currently no other approved temporary road closures proposed to take place on the same day.

CONSULTATION

The Applicant will be required to notify affected stakeholders as stipulated in Schedule B.

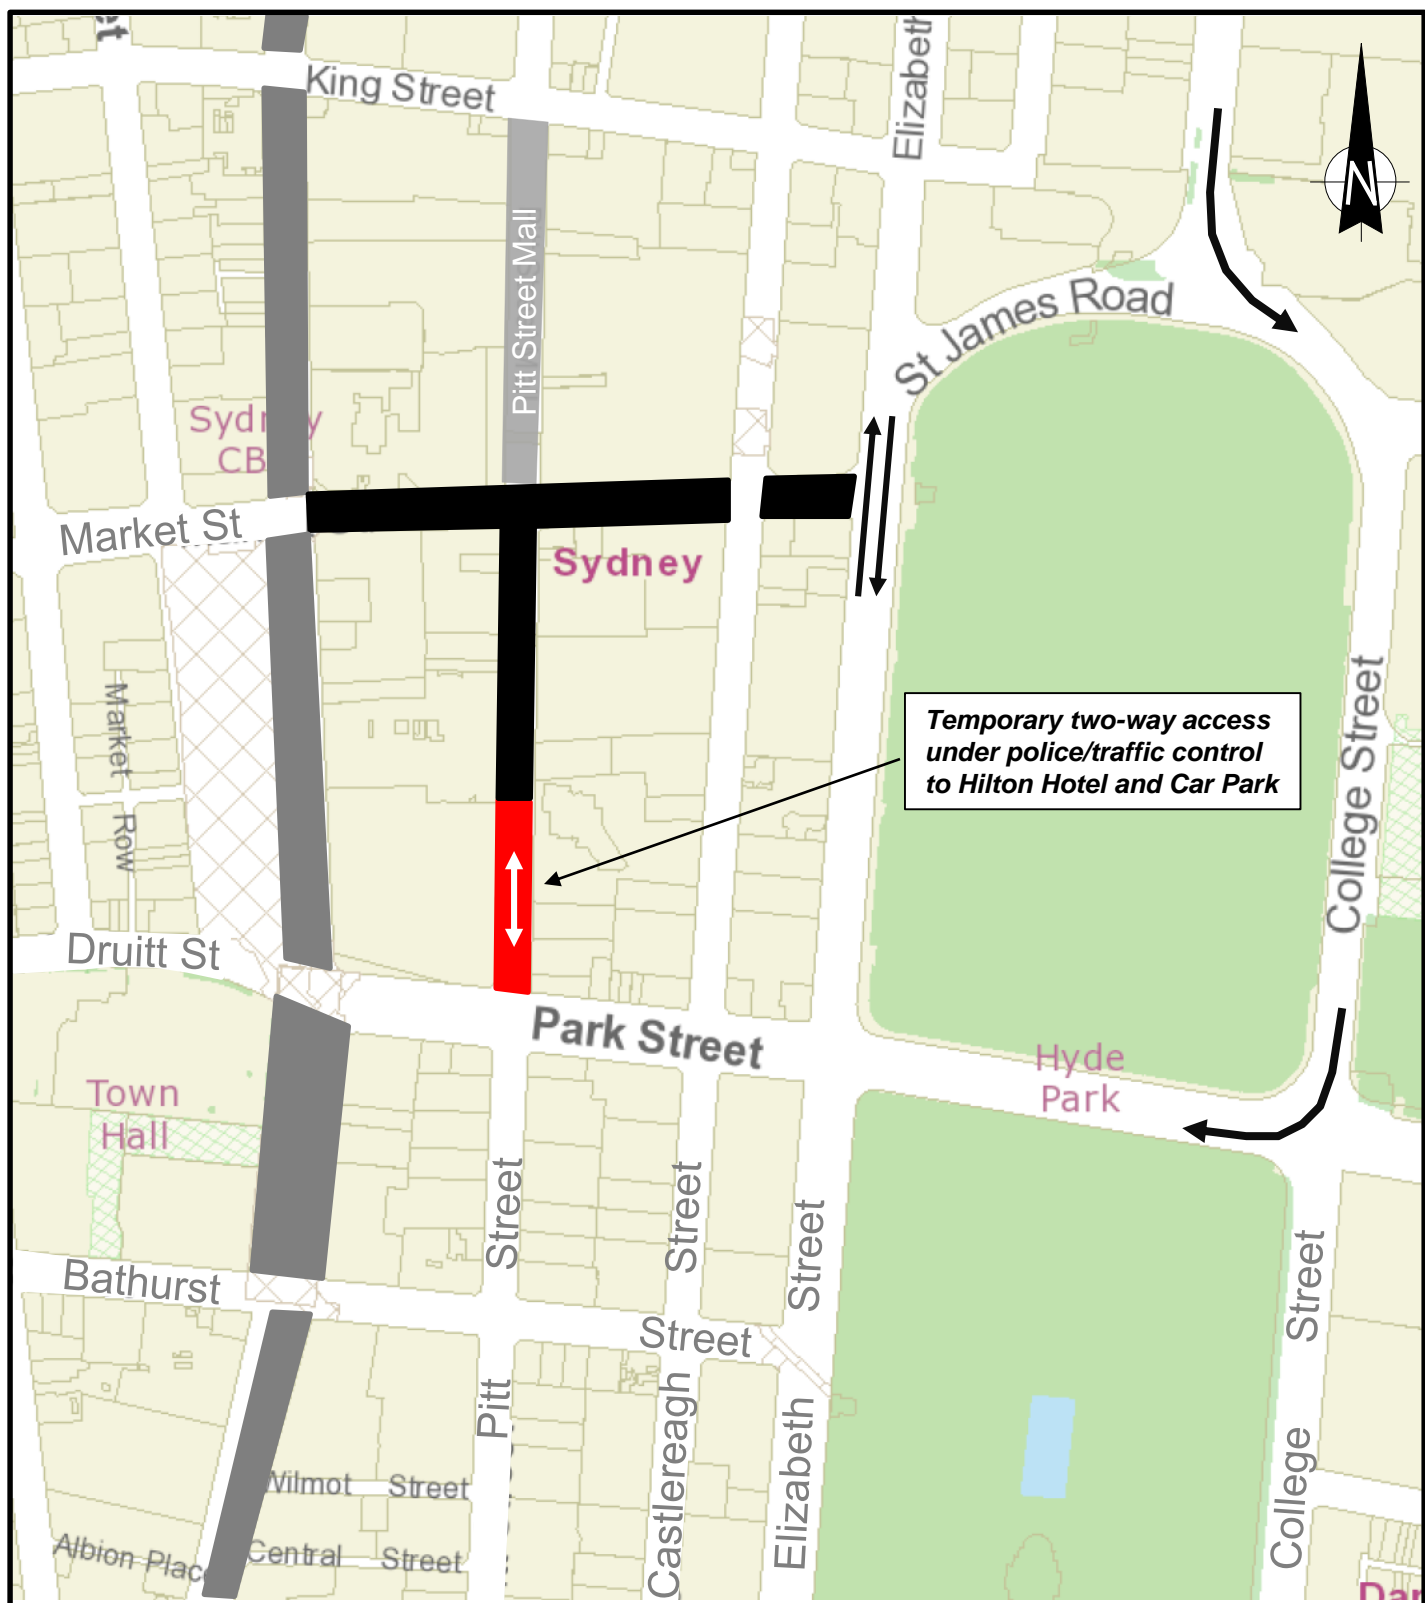

FINANCIAL

All costs associated with the temporary road closures will be borne by the Transport Management Centre (TMC) and the Police.
