

**ITEM 16. MOBILE CRANES – TEMPORARY ROAD CLOSURES – LITTLE HAY
STREET HAYMARKET**

TRIM RECORD NO: 2016/537200

RECOMMENDATION

It is recommended that the Committee endorse the temporary road closure of Little Hay Street, between Sussex and Harbour Streets, Haymarket from 9.30pm on Wednesday 8 February 2017 to 5am on Thursday 9 February 2017, subject to the following conditions:

- (A) The Applicant must comply with the temporary road closure conditions as mentioned in Schedule C of this Agenda.
- (B) The Applicant must comply with any other conditions imposed by City's Construction Regulation Unit.
- (C) The Applicant has indicated from 9.30pm on Wednesday 15 February 2017 to 5am on Thursday 16 February 2017 as an alternative date for the above work as a contingency for inclement weather.
- (D) The Applicant must contact Sydney City Police to obtain a separate police permit and to discuss deployment of user pay police for the road closure.
- (E) The Applicant is to obtain a Road Occupancy Licence from the Transport Management Centre prior to commencement of works.
- (F) If the above closure dates conflict with any works associated with the CBD and South East Light Rail (CSELR) project, other major works or special events, they may be changed to new dates in consultation with the Transport Management Centre and the Sydney City Police.
- (G) The Applicant must provide a telephone number of the supervisor responsible for the proposed closure and include contact details in the notification letters to be distributed to affected stakeholders.

DECISION

BACKGROUND

The City is proposing to re-install the Heaven Art Work directly above the intersection of Little Hay and Dixon Streets, Haymarket. Sydney Traffic Control, on behalf of the City, has been appointed to manage the temporary road closure of Little Hay Street, between

Sussex and Harbour Streets, Haymarket from 9.30pm on Wednesday 8 February 2017 to 5am on Thursday 9 February 2017.

COMMENTS

The proposed temporary road closure is required to allow a mobile crane to be used to re-install the Heaven Art Work above the intersection of Little Hay and Dixon Streets.

The Applicant has provided a site-specific Traffic Control Plan that includes details of barricades, signs, flagmen and other traffic devices to implement the proposed road closure.

There are currently no other approved temporary road closures proposed to take place on the same day in close proximity of this closure.

The temporary road closure will not affect any other properties, as local access will be provided at all times and alternative access routes are available nearby.

A Traffic Management Plan (TMP) for the temporary road closure was approved by Roads and Maritime Services (RMS) on 6 December 2016.

CONSULTATION

The Applicant will be required to notify affected stakeholders as stipulated in Schedule C.

FINANCIAL

All costs associated with the proposed closure will be borne by the Applicant.

Client: Ryan Wilks **Contact:** Maclean Wallace **Contact Number:** 0425 269 791
Plan #: Little Hay Street, Dixon Street 01

Comments:

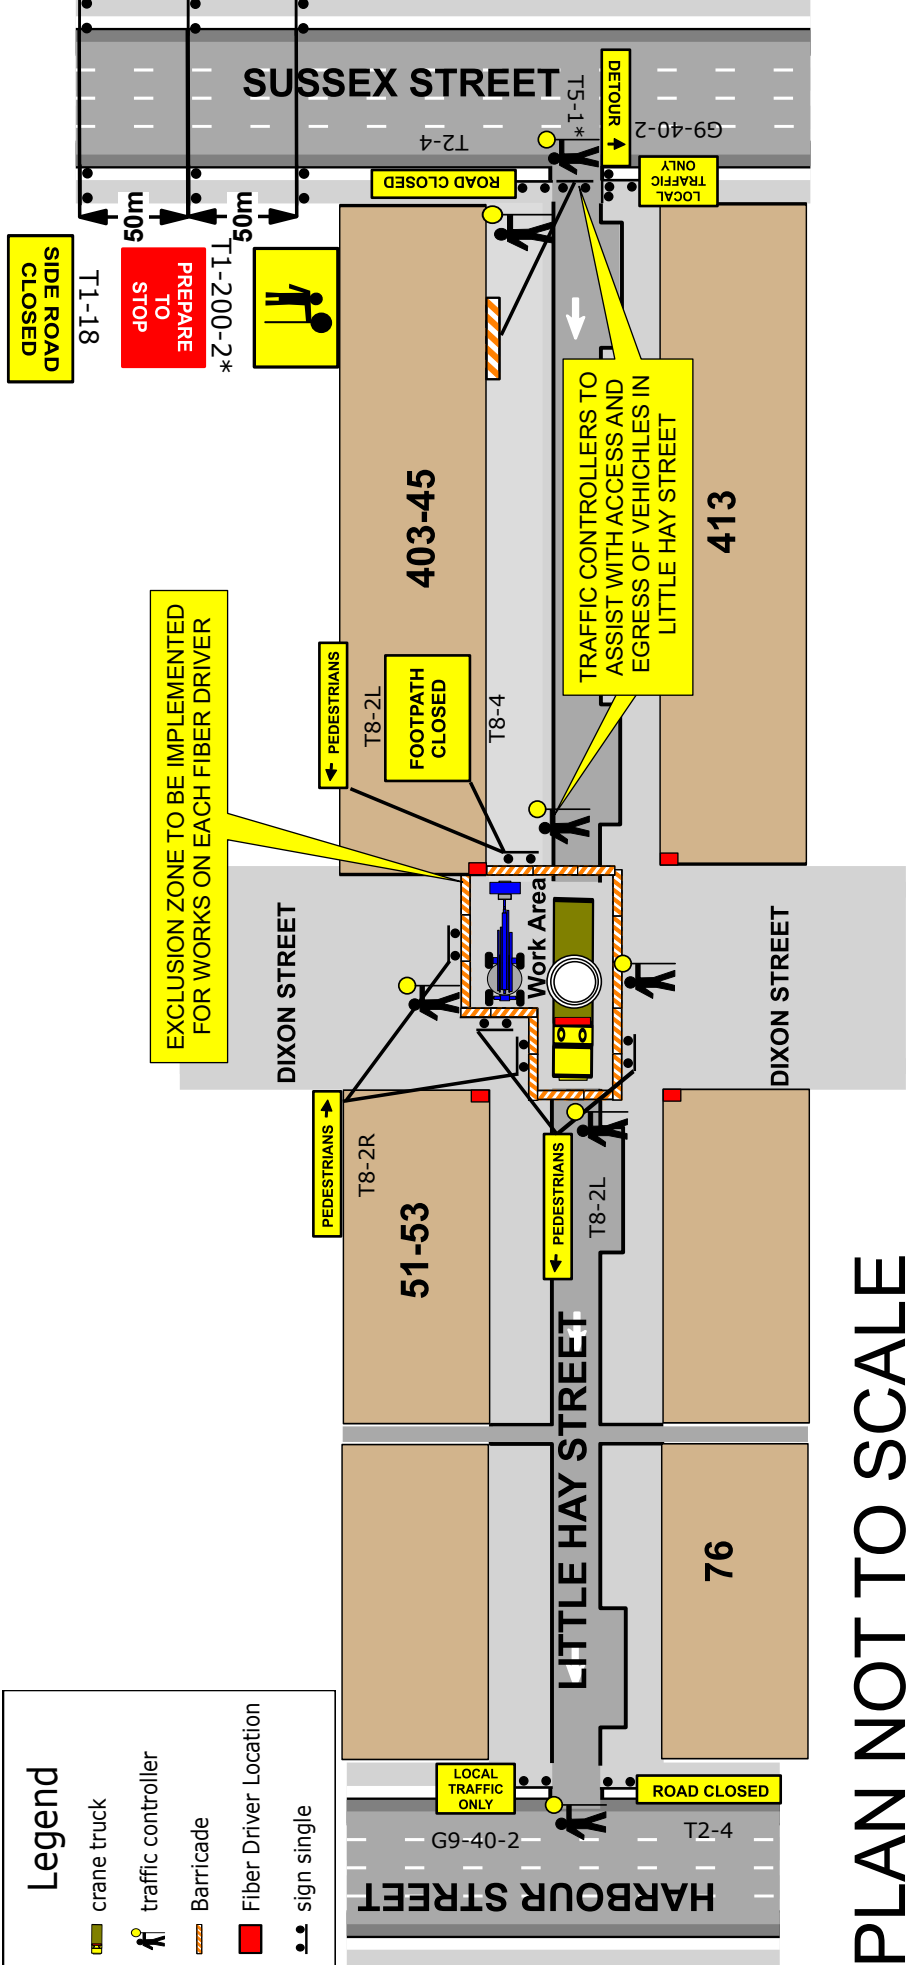

This plan has been designed by Darren Lindsay of Sydney Traffic Control in accordance with Australian Standards outlined in the RMS's Traffic Control on Worksites Handbook. The plan is designed for the setup of a road to allow for the installation of Art work Lighting over the intersection of Little Hay Street and Dixon Street. Pedestrians will be directed around the work area by Traffic control. Parking within Little Hay Street will be maintained at all times. Traffic control will apply Stop/Slow control for Vehicle Egress onto Sussex Street. Detour routes for vehicles using Little Hay Street as a through road will be implemented. Access to properties will be maintained at all times. Certified traffic controllers will be on site to implement and monitor this TCP. If you have any questions please contact Darren Lindsay on 8068-1844 or 0400 441 775.
